- Other (Please describe)

11. What is the specific purpose or goal that will be achieved by the funds being requested?

Provide a Fire Service Training Tower for use by area fire departments to train on structure fire response to multi-story and multi-use structures as well as provide a training prop for technical rescue for local and state resources. This location will allow for re-occurring training opportunities without taking local resources out of their general service areas. This facility will ease the process for mutual aid training for service to a growing population in proposed multi-story structures.

12. Provide specific details on how funds will be spent. (Select all that apply)

State agency owned facility (For example: college or university facility, buildings for public schools, roads in the state transportation system, etc.)

Other (Please describe)

14. Is the project request an information technology project?

No

15. Is there any documented show of support for the requested project in the community including public hearings, letters of support, major organizational backing, or other expressions of support?

Yes

15a. Please Describe:

Letters of Support from local fire agencies.

16. Has the need for the funds been documented by a study, completed by an independent 3rd party, for the area to be served?

No

17. Will the requested funds be used directly for services to citizens?

Yes

17a. What are the activities and services that will be provided to meet the purpose of the funds?

Training of fire service personnel that will directly benefit the public served. There is not a ISO approved training tower available that will not cause additional payroll costs due to backfill coverage while the on duty firefighters travel to more distant locations to train. This location also provides for more mutual aid training for surrounding fire agencies which regularly respond together. The tower will also provide a better training opportunity to 2 state Light Technical Rescue Teams.

17b. Describe the direct services to be provided to the citizens by the funding requested.

Fire Rescue and Technical Rescue Training

17c. Describe the target population to be served (i.e., "the majority of the funds requested will serve these target populations or groups.").
