No

15. Is there any documented show of support for the requested project in the community including public hearings, letters of support, major organizational backing, or other expressions of support?

Yes

15a. Please Describe:

The Loxahatchee Groves Landowners voted at their 1/31/19 meeting to support this project, and the Town Council Requested this section of D Road in last year's appropriation requests. This project was again approved by this Council at their 11/15/19 public meeting.

16. Has the need for the funds been documented by a study, completed by an independent 3rd party, for the area to be served?

No

17. Will the requested funds be used directly for services to citizens?

Yes

17a. What are the activities and services that will be provided to meet the purpose of the funds?

Roadway improvements for Southern D Road will improve local road safety by installing guard rails, drainage, erosion control and fire hydrant services to a rural population this is adjacent to and abutting existing SR-80 improvements where a traffic light is being installed.

17b. Describe the direct services to be provided to the citizens by the funding requested.

Improved public safety will include the installation of guard rails next to a wide section of the canal, improved drainage, access, erosion control, and fire hydrant service to a significant Southern quadrant of the local community. The previous year, the Town streamlined local government bringing an independent Special District under the Town and faces infrastructure needs and requesting assistance from the state.
