<input type="checkbox"/> Improve mental health		
<input type="checkbox"/> Enrich cultural experience		
<input type="checkbox"/> Improve agricultural production/promotion/education		
<input checked="" type="checkbox"/> Improve quality of education	The center provides a safe and nurturing environment for at-risk students attending Jupiter schools, from K-8th grade. The majority of our children come from difficult economic and family situations – living in low-income and/or single parent homes. Many receive little or no academic help at home and are struggling in school.	Increase in the number of children and families helped. Parents, principals and teachers appreciate the extra structure and support the Center provides. Many children have reached greater school success as a result. We collaborate with local educators and receive their strong endorsement because our program makes a difference. Students in our program show improvements in test results and grades, and many make significant strides in behavior, social skills, and personal achievement.
