- Other (Please describe)

11. What is the specific purpose or goal that will be achieved by the funds being requested?

The Twin Pond Road Paving Project consists of the construction of 0.9 miles of new asphalt roadway located southwest of the Holmes Valley Road and CR 279 (Moss Hill Road) intersection. The existing road is unpaved and has steep grades that discharge into two large ponds at the headwaters of Holmes Creek. The erosion has been an issue for many years and paving the roadway is the only way to stabilize the slopes and prevent erosion into the wetlands and ponds at the bottom of the hill.

12. Provide specific details on how funds will be spent. (Select all that apply)

- Other (Please describe)

14. Is the project request an information technology project?

No

15. Is there any documented show of support for the requested project in the community including public hearings, letters of support, major organizational backing, or other expressions of support?

Yes

15a. Please Describe:

This project has been discussed numerous times during Regular Sessions of the Washington County Board of County Commissioners. The right of way has been acquired from all of the adjacent land owners for the construction of the project. Preliminary design has been completed and easements from landowners have been signed.

16. Has the need for the funds been documented by a study, completed by an independent 3rd party, for the area to be served?

Yes

16a. Please Describe:

The county engineer has reviewed the project extensively and there is no other means to stabilize the project other than paving. The steep grades make stabilization impossible unless the roadway is paved.

17. Will the requested funds be used directly for services to citizens?

Yes

17a. What are the activities and services that will be provided to meet the purpose of the funds?

The proposed project includes engineering and construction activities for 0.9 miles of new paved roadway. This will provide a better and safer route of transportation for citizens who travel along the roadway. There are no alternate routes for the project.

17b. Describe the direct services to be provided to the citizens by the funding requested.

County infrastructure Improvements

17c. Describe the target population to be served (i.e., "the majority of the funds requested will serve these target populations or groups.").
