Good morning, Chairman Oliva,

I hope this e-mail finds you well.

Representative Artiles has filed **HB 4027**, entitled **Traffic Infraction Detectors**, which, "Repeals provisions relating to installation & use of traffic infraction detectors to enforce specified provisions when driver fails to stop at traffic signal, provisions that authorize DHSMV, county, or municipality to use such detectors, & provisions for distribution of penalties collected for specified violations."

We have been working closely with Senator Brandes to move towards passing its counterpart in The Senate (SB 168).

The Representative would like to humbly request that your committee consider HB 4027 during the upcoming committee weeks.

Thank you and we look forward to working closely with you and your staff this upcoming session.
