Bill No. HB 7067 (2020)

Amendment No. 1

141 (b) End-of-course (EOC) assessments.—EOC assessments must
142 be statewide, standardized, and developed or approved by the
143 Department of Education as follows:

144 1. EOC assessments for Algebra I, Geometry, Biology I,
145 United States History, and Civics shall be administered to
146 students enrolled in such courses as specified in the course
147 code directory. The Geometry EOC assessment shall be
148 administered to students enrolled in such courses as specified
149 in the course code directory until it is discontinued under
150 paragraph (h).

151 2. Students enrolled in a course, as specified in the
152 course code directory, with an associated statewide,
153 standardized EOC assessment must take the EOC assessment for
154 such course and may not take the corresponding subject or grade-
155 level statewide, standardized assessment pursuant to paragraph
156 (a). Sections 1003.4156 and 1003.4282 govern the use of

171 rule.

172 4. Contingent upon funding provided in the General
173 Appropriations Act, including the appropriation of funds
174 received through federal grants, the commissioner may establish
175 an implementation schedule for the development and
176 administration of additional statewide, standardized EOC
177 assessments that must be approved by the state board in rule. If
178 approved by the state board, student performance on such
179 assessments constitutes 30 percent of a student's final course

Amendment No. 1

191 (c) Nationally recognized high school assessments.-
192 Subject to legislative appropriation, each school district
193 shall, beginning with the 2021-2022 school year, select either
194 the SAT or ACT for districtwide administration to each public
195 school student in grade 11, including students attending public
196 high schools, alternative schools, and centers of the Department
197 of Juvenile Justice.

198 (d)~~(e)~~ Students with disabilities; Florida Alternate
199 Assessment.-

200 1. Each district school board must provide instruction to
201 prepare students with disabilities in the core content knowledge
202 and skills necessary for successful grade-to-grade progression
203 and high school graduation.

204 2. A student with a disability, as defined in s. 1007.02,
205 for whom the individual education plan (IEP) team determines
206 that the statewide, standardized assessments under this section
207 cannot accurately measure the student's abilities, taking into
208 consideration all allowable accommodations, shall have
209 assessment results waived for the purpose of receiving a course
210 grade and a standard high school diploma. Such waiver shall be
211 designated on the student's transcript. The statement of waiver
212 shall be limited to a statement that performance on an
213 assessment was waived for the purpose of receiving a course
214 grade or a standard high school diploma, as applicable.

215 3. The State Board of Education shall adopt rules, based
216 upon recommendations of the commissioner, for the provision of
217 assessment accommodations for students with disabilities and for
218 students who have limited English proficiency.

219 a. Accommodations that negate the validity of a statewide,
220 standardized assessment are not allowed during the
221 administration of the assessment. However, instructional
222 accommodations are allowed in the classroom if identified in a
223 student's IEP. Students using instructional accommodations in
224 the classroom that are not allowed on a statewide, standardized
225 assessment may have assessment results waived if the IEP team
226 determines that the assessment cannot accurately measure the
227 student's abilities.

228 b. If a student is provided with instructional
229 accommodations in the classroom that are not allowed as
230 accommodations for statewide, standardized assessments, the
231 district must inform the parent in writing and provide the
232 parent with information regarding the impact on the student's
233 ability to meet expected performance levels. A parent must
234 provide signed consent for a student to receive classroom
235 instructional accommodations that would not be available or
236 permitted on a statewide, standardized assessment and
237 acknowledge in writing that he or she understands the
238 implications of such instructional accommodations.

Amendment (with title amendment)

Remove lines 389-417 and insert:

6 paragraphs (c) and (d) of subsection (11) of section 192.001,
7 Florida Statutes, are amended to read:

8 192.001 Definitions.—All definitions set out in chapters 1
9 and 200 that are applicable to this chapter are included herein.

10 In addition, the following definitions shall apply in the
11 imposition of ad valorem taxes:

12 (11) "Personal property," for the purposes of ad valorem
13 taxation, shall be divided into four categories as follows:

14 (c)1. "Inventory" means only those chattels consisting of
15 items commonly referred to as goods, wares, and merchandise (as
16 well as inventory) which are held for sale or lease to customers

Amendment No. 4

17 in the ordinary course of business. Supplies and raw materials
18 shall be considered to be inventory only to the extent that they
19 are acquired for sale or lease to customers in the ordinary
20 course of business or will physically become a part of
21 merchandise intended for sale or lease to customers in the
22 ordinary course of business. Partially finished products which
23 when completed will be held for sale or lease to customers in
24 the ordinary course of business shall be deemed items of
25 inventory. All livestock shall be considered inventory. Items of
26 inventory held for lease to customers in the ordinary course of
27 business, rather than for sale, shall be deemed inventory only
28 prior to the initial lease of such items. For the purposes of
29 this section, fuels used in the production of electricity shall
30 be considered inventory.

31 2. "Inventory" also means construction and agricultural
32 equipment weighing 1,000 pounds or more that is returned to a
33 dealership under a rent-to-purchase option and held for sale to
34 customers in the ordinary course of business. This subparagraph
35 may not be considered in determining whether property that is
36 not construction and agricultural equipment weighing 1,000
37 pounds or more that is returned under a rent-to-purchase option

Amendment No. 4

42 heavy equipment rental dealer for sale or short-term rental in
43 the normal course of business on the annual assessment date. For
44 the purposes of this chapter and chapter 196, the term "heavy
45 equipment rental dealer" means a person or entity principally
46 engaged in the business of short term rental and sale of
47 equipment described under 532412 of the North American Industry
48 Classification System including attachments for the equipment or
49 other ancillary equipment. As used in this subparagraph, the
50 term "short-term rental" means the rental of a dealer's heavy
51 equipment rental property for a period of less than 365 days,
52 under an open ended contract, or under a contract with unlimited
53 terms. The prior short-term rental of any construction or
54 industrial equipment does not disqualify such property from
55 qualifying as inventory under this subsection following the term
56 of such rental. This section may not be construed to consider as
57 inventory heavy equipment rented with an operator.

58 (d) "Tangible personal property" means all goods,
59 chattels, and other articles of value (but does not include the
60 vehicular items enumerated in s. 1(b), Art. VII of the State
61 Constitution and elsewhere defined) capable of manual possession
62 and whose chief value is intrinsic to the article itself.
63 "Construction work in progress" consists of those items of
64 tangible personal property commonly known as fixtures,
65 machinery, and equipment when in the process of being installed
66 in new or expanded improvements to real property and whose value

67 is materially enhanced upon connection or use with a
68 preexisting, taxable, operational system or facility.
69 Construction work in progress shall be deemed substantially
70 completed when connected with the preexisting, taxable,
71 operational system or facility. For the purposes of tangible
72 personal property constructed or installed by an electric
73 utility, construction work in progress is not deemed
74 substantially completed unless all permits or approvals required
75 for commercial operation have been received or approved.
76 Inventory and household goods are expressly excluded from this
