

The Journal OF THE House of Representatives

Number 1

Tuesday, January 14, 2020

Journal of the House of Representatives for the 122nd Regular Session since Statehood in 1845, convened under the Constitution of 1968, begun and held at the Capitol in the City of Tallahassee in the State of Florida on Tuesday, January 14, 2020, being the day fixed by the Constitution for the purpose.

This being the day fixed by the Constitution for the convening of the Legislature, the members of the House of Representatives met in the Chamber at 10:00 a.m. for the beginning of the 122nd Regular Session and were called to order by the Honorable Jose R. Oliva, Speaker.

Prayer

The following prayer was offered by House Chaplain Tim Perrier, upon invitation of the Speaker:

Father, the book of James encourages us with this very practical verse: "Is anyone of you in trouble? He should pray. Is anyone happy? Let him sing songs of praise." So Lord, when we are in trouble, may we be quick to ask for Your help in prayer. When we are happy, may we give our thanks to You for our many blessings.

Since it's only day one, we're probably not in too much trouble yet, so we're happy. And we sincerely thank You, the source of our blessings and joy. I specifically want to thank You for the blessing ... for blessing Florida with these friends, Your servants who You have chosen in Your wisdom to provide leadership for our state. We pray that You provide them with everything they need to serve You and the people they represent. Give them Your wisdom, give them Your strength, give them Your humility and when their work is finished, give them Your peace.

Finally, we ask Your protection on every one of them and their staff as they travel back and forth. Keep their families and loved ones safe and connected even though the miles separate them. I offer this prayer in the name of Jesus. Amen.

Moments of Silence

At the request of Rep. Andrade, the House observed a moment of silence in recognition of the victims and families of the shooting at the Naval Air Station in Pensacola on December 6, 2019.

At the request of Democratic Leader McGhee, the House observed a moment of silence to honor family members who have passed since House members were last together in the Chamber, May 4, 2019.

Remarks by the Speaker

Speaker Oliva: Governor, First Lady, Lieutenant Governor, members of the Cabinet, and justices of the Supreme Court, thank you for joining us here today as we open our legislative session. It is an honor to stand here, not just at the start of a new session, but at the beginning of a new decade, a decade which is vastly different than that that our leaders faced at the start of the last. As lawmakers came together to open the session in 2010, they did so in the throes of the Great Recession. The financial and housing markets had collapsed and unemployment was reaching crippling levels. State leaders all across the country were faced with a difficult task of choosing a way forward. States like Florida that made the difficult budget and regulatory decisions enjoyed a full recovery. And many like Florida enjoy an economy that is better and stronger than the one we had before the recession. Those states that chose to tax and spend their way out are still looking for answers. And some of them now have the additional problem of dealing with the mass exodus from their states.

Members, spending isn't caring, solving is caring. As we begin this new decade, we must keep that ever-present in our minds. The decisions that we make here have far-reaching consequences, but not just for the residents of Florida. Florida is a national leader in innovative policy, and in fiscal restraint. With the work we do here is regularly cited by other states and often adopted. If the states are the laboratories of democracy, Florida is a leader in bipartisan, effective, and functional government.

Last year alone we passed transformational healthcare and education policy, which is already being discussed in legislatures around the country. One such legislation stands out as an example of what is possible when we all work together. Frustrated by the unrelenting abuse of the pharmaceutical companies, we chose to fight, rather than to simply pay their ransom. With the leadership of our Governor and with our partners in the Senate, we looked past our state line and even beyond our country's borders, and we passed the first-in-the-nation drug importation bill. Since the conclusion of session, our Governor has worked tirelessly with the President to force action. Against all odds, the FDA was forced to act. Few issues have attracted the mass special interest opposition our drug importation bill attracted. Big Pharma hired every firm in town, it seemed, and they flooded the airways with false claims aimed at frightening our citizens. But still we did not flinch. It is true we still have a long road ahead in achieving full importation, but we moved an immovable object and we did something far more significant: We proved that when we all come together, government of the people still lives.

So as we turn our attention forward, we still face many challenges, and, unfortunately, chief among them continues to be healthcare. We did not choose healthcare as our priority; it's been daunting to challenge its many facets. It chose us. It chose us through the sheer audacity of the defenders of the status quo. I'm not given to hyperbole, and I use these words with precision: The healthcare industrial complex, made up of hospitals, medical device manufacturers, and pharmaceutical companies are the great robber barons of our time. The term, robber baron, is defined by government manipulation, monopolizing of an industry, and price gouging. Check, check, and check. The caregivers who work in these institutions are good and dedicated people, and we are fortunate to have them. The collective actions of the institutions that employ them are unconscionable. These institutions interact with our citizens at their most powerless and exposed moments, and they financially assault them. If during a hurricane, a super market or a hardware store, or a gas station raises prices even slightly, there would be mass outrage, and rightfully so. But if, God forbid, on your way home today, something terrible befalls you, and you are involved in an accident, you will be

in the hands of very good people that will work hard to save your lives. And the institutions they work for will gouge you for every good and service that is provided to you. Simple things, like bags of IVs, needles, and gauzes, will be charged to you at sometimes hundreds their original cost. And should you fail to pay, you will find yourself among the millions of Americans who have made bankruptcy as a result of exorbitant medical bills. This is unquestionably the greatest threat to our solvency. And what do they propose as a solution? More funds, of course. More money leads to higher prices, which leads to more money, and so on. What is truly amazing to me is that their appetite is so insatiable that they would risk their own existence in the pursuit of more.

The drumbeats of socialized medicine grow louder each day, but so attracted is this industry to their gravy train that they fall deaf to its warning. Politically, they now seem to have the advantage. Our citizens demand for most reforms which we propose and the healthcare complex opposes. What we are left with is only spending as proof of our concern. Spending is not caring, solving is caring. If spending was the answer, we would have already solved the problem, as we turned over nearly half of our entire budget to them. This industry gets federal dollars, state dollars, local dollars, and we also extend them any manner of local tax breaks, and it is not enough. It will never be enough. We must do as we did last year and have the courage to empower the patient and loosen the regulations which have allowed their empire-building, or it will never be enough until there is nothing more to give. Each day they find new and different ways to attract patients and public dollars.

The newest iteration are the stand-alone emergency rooms. These facilities are primary-care substitutes at emergency room prices. They are highly profitable because they can charge significantly higher rates for regular services. How do I know this? I have actually had hospital executives boast of their stand-alone ERs and the effects that they have on the bottom line. The audacity is such that they advertise them openly on billboards, listing the wait times. Clearly, this isn't intended for anyone in an actual emergency, because I can't imagine one would have time to shop. This is done to lure us into their facilities for far less emergent conditions. Moms and dads take their children there for sore throats and earaches and fevers.

But if we're being honest, we share a good measure of the blame. We often allow and even provide the conditions necessary for this abuse. One very notable example of negligence on our part has been a great limiter of access. You see, fewer and fewer medical students are studying to be primary care physicians these days. The cost of schooling is very high and the specialties offer them a far more lucrative future. This together with our exploding population here in Florida has created a large and growing demand for primary care, which will soon reach crisis levels. Florida's archaic and backwards approach to scope of practice has contributed to this problem. Florida is one of a handful of states that still prevent healthcare professionals from practicing what they are educated, trained, and certified to do. In spite of truly overwhelming evidence, Florida resists. This kind of protectionism on behalf of special interest groups is not just costly and dangerous, but it is wrong.

In 1967, a report was provided to then-President Johnson, which explained that more Americans had died that year in accidents than had died in the entire Korean War. The main problem was lack of critical on-site care. You see, at the time, ambulance drivers were just expected to throw you onto a gurney and rush you to the nearest hospital, and people were dying in droves along the way. A few courageous and visionary doctors from California, Pennsylvania, and right here in Florida argued that training the ambulance attendants who administer on-site care would drastically reduce fatalities. Needless to say, the physician community-at-large was outraged. The idea that a non-doctor would provide care to an accident victim on the side of the road in the chaos of an accident scene was preposterous. Fortunately for all of us, these visionaries weren't deterred. They pressed forward, and the millions upon millions of lives that have been saved since then are their greatest legacy. How telling of the power of an interest group that I stand here today, over a

half a century later, trying to convince lawmakers not to allow people with a two-year degree and 400 hours of training to administer care on a blood-stained pavement in a chaotic setting. No, I am standing here saying that an advanced nurse practitioner, who has at least a four-year degree in nursing, a graduate degree in many cases, as in the case of our nurse today, that is a doctorate in nursing, and 2,000 hours of clinical supervised residency to be allowed to practice what they studied. Allowing advanced nurse practitioners to practice independently will have immediate positive effects on access and affordability. Members, it is truly a stain upon a state that prides itself on leading to even humor talk of patient safety coming from interest groups, when we know now, beyond a shadow of a doubt, of its safety and its efficacy. Or worse, to use phrases like, "If you want to be a doctor, study to be a doctor." Members, 30 states have outgrown this backwards policy, 30. It is high time we allow healthcare professionals to practice to the extent of their training.

Another area where proliferation spending threatened its own sustainability is our higher education system. We all proudly boast of having the best public university system. But as Tom Sowell often likes to ask, "Compared to what?" Compared to a system that would be sustainable and that would not put our children in debt at the very beginning of our lives? I don't think that that's what we compare it to because there doesn't seem to be a system that offers that across the country. Our shared desire to see everyone reach the highest level of education they can achieve has allowed for access and created a student debt crisis. Colleges seek to be universities, when they would far better serve us in their original roles as colleges. Universities seek extravagances in the ways of buildings and sports programs, which adversely affect their costs, and private colleges seek all takers. As lawmakers and custodians of the public purse, we are relentlessly urged for more. An expenditure for a university is seen as a measure of caring, regardless of the future implications of that expenditure. Spending is not caring. Solving is caring. Our focus must be ensuring these institutions will have the sustainability to exist in perpetuity. Public universities and colleges need to be leading the way in finding efficient and sustainable higher education.

Our scholarship program is also a crucial component. You know, Chairman Fine is far more given to hyperbole than I am, but he has done excellent work in this area. These scholarships are important for access, but simply pouring more money into them doesn't, in any way, provide a guarantee that the right people will receive them. With the work that Chairman Fine has done, we will look very closely at these programs to ensure that their requirements and, most importantly, their outcomes are in line with the mission.

Then there are those areas where more resources are in order. Our Governor has made the environment a major priority, and we will continue to offer our support in his efforts. He has also tasked us with finding ways to increase teacher pay. This House pledges to work towards a significant but equitable and sustainable proposal that can accommodate wage increases in other critical areas as well. One area in particular, will be that of our childcare workers. New leadership brings us the opportunity for transformational change. Our budget will include wage increases for child protective investigators and their supervisors, as well as additional dollars for their support staff. These fine folks work day in and day out in some of those stressful situations, and they make decisions that are crucial to children's safety and to parents' rights. We must support their efforts and provide them the tools needed to succeed. But understanding that spending alone is not caring, solving is caring, we are embarking on an ambitious collaborative effort of reform. Together with our partners in the Senate, with the Governor and Secretary Poppell, and with the tireless advocacy of our First Lady, we will begin the work of reshaping child welfare in Florida. That includes updating infrastructure and reorganizing workflow, but it also includes gathering data and using it to achieve the best outcomes for the unfortunate families who find themselves in these situations. It means being the best that we can be at deciding whether to separate a family or help them remain together. To these ends, we have partnered with Florida State University, and with the commitment of President Thrasher, we will become national leaders in gathering, studying, and developing best practices for our child welfare

system. We thank you, President Thrasher. We will fully fund the Florida Institute for Child Welfare at FSU so that they can develop and constantly advance their curriculum at the FSU School of Social Work. But as excited as we are about these efforts, we know that not all solutions are governmental. And that is why we will work with organizations like Better Together to ensure that avoidable family separations and the tremendous bureaucracy that comes with family reunification can be minimized when justifiable. And finally, the issue we all like to say is our only constitutional obligation: Chairman Cummings and his sub-chairs have worked diligently on a reprioritization project in all budget silos. The result of their work will allow us to meet new spending requests with existing dollars. I thank you, Chairman, and I thank all of your sub-chairs for their effort. I look forward to working together with all of the members of this House to once again pass a budget with a reduced per-capita spending, a robust tax break, and a stronger commitment to our reserve balances. I hope this decade does not bring the kind of economic turmoil that the last one did, but our actions today will determine how quickly our state and our leaders will be able to stabilize and recover tomorrow.

Leader McGhee, I look very much forward to working with you and your caucus, and to building on the great work that we did last year. President Galvano in the Senate, we reaffirm our commitment to work as we did last session, collaboratively and in the interest of all. And Governor, we look very much forward to your leadership as we enter this new decade. Thank you all very much.

Members, to all of you, I thank you for the trust and the confidence you have placed in me. I reaffirm my commitment to you to conduct the business of this House with decorum, with integrity, and with equal respect for all. May God bless all of you, may He bless the Great state of Florida, and may He bless America. Thank you.

Certificate of Judicial Manpower

The following Certificate of Judicial Manpower was received:

No. SC19-1907

IN RE: CERTIFICATION OF NEED FOR ADDITIONAL JUDGES.

November 27, 2019

PER CURIAM.

This opinion fulfills our constitutional obligation to determine the State's need for additional judges in fiscal year 2020/2021 and to certify our "findings and recommendations concerning such need" to the Florida Legislature.¹ Certification is "the sole mechanism established by our constitution for a systematic and uniform assessment of this need." *In re Certification of Need for Additional Judges*, 889 So. 2d 734, 735 (Fla. 2004).

In this opinion, we certify the need for two additional circuit court judgeships in the Ninth Judicial Circuit, one additional circuit court judgeship in the First Judicial Circuit, one additional circuit court judgeship in the Fourteenth Judicial Circuit, four additional county court judgeships in Hillsborough County, one additional county court judgeship in Orange County, one additional county court judgeship in Lee County, and no additional judgeships in the district courts of appeal. We decertify the need for two county court judgeships in Brevard County, one county court judgeship in Monroe County, and one county court judgeship in Collier County.

To make this decision, the Florida Supreme Court continues to use a verified objective weighted caseload methodology as a primary basis for assessing judicial need.² The objective data are supplemented by judgeship requests submitted by the lower courts, including descriptions of the impact of various secondary factors. These secondary factors identified by each chief judge reflect local differences in support of their requests for more judgeships or in support of their requests for this Court not to decertify judgeships in situations where the objective case weights alone would indicate excess judicial capacity. Applying the criteria in this two-step methodology, we conclude that the First, Ninth, and Fourteenth circuits have a demonstrable need for additional circuit judges. Using the same criteria, this Court determines that the secondary factor analysis, coupled with recent statutory amendments and other relevant circumstances further explained below, warrants a more restrained approach to the decertification of trial court judgeships than the raw numbers alone would indicate.

Our evaluation of these matters takes into account developments in the way our courts perform their duties that are not currently captured by the weighted case load methodology. We also consider not only recently adopted legislation but also potential legislation and rule changes that could have a significant impact.

Chapter 2019-58, Laws of Florida, increased the maximum dollar amount in controversy of cases under the jurisdiction of county courts.³ The Legislature took a phased approach to the implementation of this amendment. Effective January 1, 2020, county court jurisdiction increases from a current upper limit of \$15,000 to \$30,000 and is scheduled for a second upward adjustment to \$50,000 on January 1, 2023. Although these changes necessarily will alter workload in the county and circuit courts, precise estimates of the impact of these statutory revisions are not possible at this time.

At the beginning of 2019, this Court established the Judicial Management Council Workgroup on Appellate Review of County Court Decisions.⁴ We directed the workgroup to study whether the circuit courts should be uniformly required to hear appeals in panels, to review a previous recommendation with regard to allowing intra- and inter-circuit conflicts in circuit court appellate decisions to be certified to the district courts of appeal, and to consider whether other changes to the process for appellate review of county court decisions would improve the administration of justice. The Court has considered the report of that workgroup, submitted in October of this year, and accepted its recommendations, with some slight modifications. The Supreme Court supports the Legislature's consideration of legislation during the 2020 Regular Session to transfer to the district courts of appeal the circuit courts' appellate and related extraordinary writ authority in county civil cases including non-criminal violations, county criminal cases, and administrative cases. Further, we have expressed our support for an effective date for the legislation that is no earlier than January 1, 2021, to allow adequate time for judicial branch implementation. If the various statutes are amended by the Legislature to implement these changes, the judicial workload in the circuit courts and district courts will necessarily be affected.

Trial court judges have expressed concerns about a need to review and possibly refine the method for reporting on the increased number and types of problem-solving courts throughout the state and the increased number of cases handled by those problem-solving courts. It is important for this Court, in its assessment of judicial need, to evaluate the impact on judicial workload the problem-solving courts create and, if necessary, update the associated case weights. While problem-solving courts show positive results in reduced recidivism and better outcomes in many cases, they also require significantly more judicial time.

Finally, this Court is awaiting the results of an important review it has ordered, which may lead to revision of the rules we employ to determine judicial need. Specifically, this Court has directed the Commission on Trial Court Performance and Accountability to review secondary factors impacting judicial certification to determine if there are areas of inconsistency between the case weights and current judicial assignments. The Commission is reviewing rules 2.240(b)(1)(B) and 2.240(c), Florida Rules of Judicial Administration, to determine if there is a need to recommend any suggested modifications.

Having conducted a quantitative assessment of trial and appellate court judicial workload and, as noted above, having also considered the various qualitative factors, workload trends, legislatively enacted jurisdictional changes and other relevant circumstances, we certify the need for ten additional trial court judgeships in Florida, consisting of four circuit court judgeships and six county court judgeships, as set forth in the appendix to this opinion. We also recommend the decertification of four county court judgeships, also identified in the appendix, and we certify no need for additional judgeships in the district courts of appeal.

It is so ordered.

CANADY, C.J., and POLSTON, LABARGA, LAWSON, LAGOA, and MUÑIZ, JJ., concur.

Original Proceeding – Certification of Need for Additional Judges

1. Article V, section 9 of the Florida Constitution provides in pertinent part:

Determination of number of judges.—The supreme court shall establish by rule uniform criteria for the determination of the need for additional judges except supreme court justices, the necessity for decreasing the number of judges and for increasing, decreasing or redefining appellate districts and judicial circuits. If the supreme court finds that a need exists for increasing or decreasing the number of judges or increasing, decreasing or redefining appellate districts and judicial circuits, it shall, prior to the next regular session of the legislature, certify to the legislature its findings and recommendations concerning such need.

2. Our certification methodology relies primarily on case weights and calculations of available judge time to determine the need for additional trial court judges. See Fla. R. Jud. Admin. 2.240.

3. Section 34.01(1)(c), Florida Statutes (2019), states that county courts shall have original jurisdiction:

Of all actions at law, except those within the exclusive jurisdiction of the circuit courts, in which the matter in controversy does not exceed, exclusive of interest, costs, and attorney fees:

1. If filed on or before December 31, 2019, the sum of \$15,000.
2. If filed on or after January 1, 2020, the sum of \$30,000.
3. If filed on or after January 1, 2023, the sum of \$50,000.

4. See *In re Workgroup on Appellate Review of County Court Decisions*, Fla. Admin. Order No. AOSC19-3 (Jan. 4, 2019).

The following vetoed messages were received:

The Honorable Jose R. Oliva January 6, 2020
Speaker, Florida House of Representatives

Dear Mr. Speaker:

In compliance with the provisions of Article III, Section 8(b) of the State Constitution, I am transmitting to you for consideration by the House the following vetoed bills of the 2019 Regular Session. The Governor's objections are included.

- CS/HB 629 An act relating to lottery games
- CS/CS/HB 771 An act relating to environmental regulation
- HB 1417 An act relating to Melbourne-Tillman Water Control District, Brevard County
- HB 7067 An act relating to registration fees
- HB 7073 An act relating to permit and inspection fees

Sincerely,
LAUREL M. LEE
Secretary of State

The Honorable Laurel Lee June 28, 2019
Secretary of State

Dear Secretary Lee:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8 of the Constitution of Florida, I do hereby veto and transmit my objection to Committee Substitute for House Bill 629, enacted during the 121st Session of the Legislature of Florida, during Regular Session 2019 and entitled:

An act relating to Lottery Games...

The Florida Lottery was created through a constitutional amendment for the purpose of maximizing revenues for public education in Florida in a manner consonant with dignity of the state and welfare of its citizens. Since its inception the Florida Lottery has contributed more than \$35 billion to education and has helped over 800,000 students receive a college education through Bright Futures scholarships.

Florida Statutes directs the Lottery to function as much as possible in the manner of an entrepreneurial business enterprise. The lottery has been successful due to its innovative products, creative positive marketing, cooperative relationship with its network of over 13,000 retailers and participation in multi-state games. The regulations imposed by the bill would impact the Lottery's ability to continue to take advantage of all these avenues and have the potential to impact the revenues available for educational enhancement. Although the specific negative impact of the bill is unknown because the Revenue Estimating Conference was unable to reach consensus, the Lottery's detailed analysis indicates that the provisions in the bill would, at a minimum, reduce education funding by \$79.4 million annually and have the potential to reduce available funding by as much as \$232.7 million annually.

As Governor, one of my key priorities is making higher education affordable for Florida families. This bill reduces the Lottery's ability to continue to maximize revenues for education and negatively impacts Florida students. For the reasons stated above, I withhold my approval of Committee Substitute for House Bill 629, and do hereby veto the same.

Sincerely,
RON DeSANTIS
Governor

Secretary of State

Dear Secretary Lee:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby veto and transmit my objections to HB 771, enacted during the 121st Session of the Legislature of Florida, since statehood in 1845, during the Regular Session of 2019 and entitled:

An act relating to Environmental Regulation

HB 771 originally addressed issues with contaminated recyclable materials, but a provision was added that includes a moratorium on local regulation of single-use plastic straws until 2024.

A number of Florida municipalities, including Sanibel, Ft. Myers Beach and Miami Beach, have enacted ordinances prohibiting single-use plastic straws. These measures have not, as far as I can tell, frustrated any state policy or harmed the state's interests. In fact, the Florida Department of Environmental Protection has encouraged Florida residents, schools and businesses to reduce plastic straw use.

Under these circumstances, the State should simply allow local communities to address this issue through the political process. Citizens who oppose plastic straw ordinances can seek recourse by electing people who share their views.

For the reasons stated above, I withhold my approval of HB 771 and do hereby veto the same.

Sincerely,
RON DeSANTIS
Governor

Dear Secretary Lee:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby veto and transmit my objections to HB 1417, enacted during the 121st Session of the Legislature of Florida, since statehood in 1845, during the Regular Session of 2019 and entitled:

An act relating to Melbourne-Tillman Water Control District, Brevard County

HB 1417 revises the voting requirements of the Brevard County Board of County Commissioners when voting to increase taxes assessed within the Melbourne-Tillman Water Control District by requiring a super-majority vote of commissioners. Under current law, both county commissioners representing the areas within the Special District must concur for any tax increase on citizens living within the Special District to be enacted. However, HB 1417 permits tax increases on citizens living in the Special District even if the commissioners who represent these communities dissent. Therefore, this measure dilutes the representation of the citizens living within the Special District, of whom the increase in taxes would affect. Those who are saddled with additional taxation should have the ability to hold someone accountable.

Since the Brevard County Commission Districts are not at-large and have boundaries, I believe there should be more than a fifty-percent necessity for approval when attempting to increase or change the fees on the citizens you represent. One of the County Commissioners representing the Special District should not have the authority to change the fees on those living within the entirety of the Special District.

For the reasons stated above, I withhold my approval of HB 1417 and do hereby veto the same.

Sincerely,
RON DeSANTIS
Governor

The Honorable Laurel Lee
Secretary of State

June 27, 2019

Dear Secretary Lee:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby veto and transmit my objections to HB 7067 and HB 7073, enacted during the 121st Session of the Legislature of Florida, during the Regular Session of 2019 and entitled:

An act relating to Registration Fees; and
An act relating to Permit and Inspection fees...

The Legislature passed Committee Substitute for House Bill 19 Prescription Drug Importation Programs and Committee Substitute for Committee Substitute for House Bill 23 Telehealth to provide innovative options to Floridians to lower rising health care costs. These pieces of legislation provide a framework for Floridians to access more affordable prescription medication and to utilize the services of physicians via a cheaper and more convenient medium. With this in mind, the imposition of fees would undercut these efforts and would likely make administering the programs more cumbersome. For the reason stated above, I withhold my approval of these two House Bills, and do hereby veto the same.

Sincerely,
RON DeSANTIS
Governor

RULES OF THE FLORIDA HOUSE OF REPRESENTATIVES

As Adopted on November 20, 2018, and Amended on March 5, 2019

RULE ONE LEGISLATIVE ORGANIZATION

1.1—Officers of the House

(a) CONSTITUTIONAL OFFICERS. Pursuant to Section 2 of Article III of the State Constitution

(1) The House shall choose a permanent presiding officer, designated the "Speaker."

(2) The House hereby designates as its clerk the Clerk of the House (hereinafter "Clerk"), to be appointed and serve in accordance with these rules.

(b) HOUSE LEADERSHIP. In addition to the Speaker, the House shall choose a Speaker *pro tempore*, who shall serve in accordance with Rule 2.5. The Speaker shall appoint a Majority Leader from among the members of the Majority Conference to serve at the pleasure of the Speaker. The Minority Conference shall select a Minority Leader from among the members of the Minority Conference.

(c) OTHER OFFICERS. The Speaker shall appoint a Clerk and a Sergeant at Arms, who shall be employees of the House.

1.2—Political Party Conferences

Conference rules shall be interpreted and enforced solely by the respective caucuses.

1.3—Seating Challenges

In the case of a contest for a seat in the House, notice setting forth the specific grounds of such contest and the supporting evidence must have been received by the Clerk not less than 5 days before the organization session of the Legislature. No motion to disqualify a member shall be in order at the organization session until a Speaker has been elected in accordance with the State Constitution. In the case of a special election, notice must have been received by the Clerk not less than 5 days before the next regular or special session convenes. If the election is during a session or less than 5 days before the next session, the notice must have been received on the next legislative day following the receipt of certified election results. A contest setting forth facts sufficient to warrant review shall be referred by the Speaker to an appropriate committee or subcommittee. The committee or subcommittee shall conduct hearings as required and report its findings and recommendations to the House. Upon receipt of the committee or subcommittee report, the House shall convene with all dispatch to determine the contest by a majority vote.

RULE TWO POWERS, DUTIES, AND RIGHTS OF THE SPEAKER

2.1—Presiding

The Speaker shall take the chair and call the House to order at the hour appointed for meeting and, if a quorum is present, shall proceed with the order of business.

2.2—Interpreting Rules

The Speaker shall interpret, apply, and enforce the Rules of the House.

2.3—Deciding Questions of Order

(a) DETERMINATION BY THE SPEAKER. All questions of order shall be presented to the Speaker for determination. The Speaker may require the member raising a point of order to cite the rule or other authority in support of the question. The Speaker may decide the question of order, put such question to the House, or refer such question to the chair of the Rules

Committee for a recommendation to the Speaker. Any decision of the Speaker on a point of order is subject to an appeal to the House made timely and separately by any five members.

(b) QUESTIONS OF ORDER ARISING IN COMMITTEE OR SUBCOMMITTEE. A question of order may be certified by a committee or subcommittee chair to the Speaker for determination as any other question of order. A question of order decided in committee or subcommittee may be appealed to the Speaker, provided the appeal is announced in the committee or subcommittee meeting, presented in writing, signed by two members of the committee or subcommittee, and delivered to the applicable chair before 4:30 p.m. the next day (excluding Saturdays, Sundays, and official state holidays). The appeal must then be immediately certified by the chair to the Speaker, who shall decide the question as any other question of order. The certification or appeal of a question arising in committee or subcommittee does not constitute an automatic stay of further action on the measure to which the question relates.

(c) APPEAL TO THE HOUSE. When a decision of the Speaker on a question of order is appealed, the Speaker shall put the appeal to the House. No member may speak more than once, or for more than 3 minutes, on an appeal unless given leave by the House by majority vote.

(d) DECISIONS NOT SUBJECT TO APPEAL. Responses to parliamentary inquiries and decisions of recognition made by the Speaker may not be appealed.

2.4—Execution of Documents

The Speaker shall sign all bills and all writs, warrants, and subpoenas issued by order of the House, all of which shall be attested to by the Clerk. The Speaker may delegate the authority to sign papers authorizing payments or other papers of an administrative nature.

2.5—Appointment of a Temporary Presiding Officer

(a) The Speaker may appoint any member to perform the duties of presiding officer for a temporary period of time not to extend beyond a single legislative day.

(b) If the Speaker is absent and has not appointed a presiding officer pursuant to subsection (a), the Speaker *pro tempore* shall act as presiding officer during the Speaker's absence. However, if the Speaker *pro tempore* is also absent and has not appointed a presiding officer pursuant to subsection (a), the chair of the Rules Committee shall act as presiding officer during the absence of both the Speaker and Speaker *pro tempore*.

(c) Upon the Speaker's incapacity or other inability to serve, the Speaker *pro tempore* shall exercise the duties, powers, and prerogatives of the Speaker during the period of such incapacity or other inability to serve.

(d) The Speaker *pro tempore* shall exercise the duties, powers, and prerogatives of the Speaker in the event of the Speaker's death or resignation until the Speaker's successor is elected.

2.6—Protecting the Interests of the House

The Speaker may initiate, defend, intervene in, or otherwise participate in any suit on behalf of the House, a committee or subcommittee of the House, a member of the House (whether in the legal capacity of member or otherwise), a former member of the House, or an officer, employee, or agent of the House when the Speaker determines that such suit is of significant interest to the House.

2.7—Control of House Facilities

The Speaker shall have administrative control of the Chamber when the House is not in session and of every other room, lobby, and gallery of the House.

RULE THREE MEMBERS

3.1—Membership

The House shall exercise its right to be the sole judge of the qualifications, elections, and returns of its members.

3.2—Voting Obligation

Except when abstention is required, every member shall have an obligation to vote on all matters that come before the House in session or before any committee or subcommittee to which the member is appointed. A member may not vote by proxy. A member may register an electronic vote in the Chamber for another member at the other member's specific request and direction, provided the requesting member is in the Chamber during the vote.

(a) **ABSTENTION ON MATTERS OF SPECIAL PRIVATE GAIN OR LOSS.** A member may not vote on any measure that the member knows would inure to the member's special private gain or loss. The member must disclose the nature of the member's interest in the matter from which the member is required to abstain.

(b) **DISCLOSURE ON MATTERS OF SPECIAL PRIVATE GAIN OR LOSS TO FAMILY OR PRINCIPALS.**

(1) When voting on any measure that the member knows would inure to the special private gain or loss of:

a. Any principal by whom the member or the member's spouse, parent, or child is retained or employed;

b. Any parent organization or subsidiary of a corporate principal by which the member is retained or employed; or

c. A relative or business associate of the member, the member must disclose the nature of the interest of such person in the outcome of the vote.

(2) For the purpose of this rule, the term:

a. "Relative" means any father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, or daughter-in-law.

b. "Business associate" means any person or entity engaged in or carrying on a business enterprise with the member as a partner, joint venturer, corporate shareholder where the shares of such corporation are not listed on any national or regional stock exchange, or co-owner of property.

(c) **METHODS OF DISCLOSURE.** If the vote is taken on the floor, disclosure under this rule or under any related law shall be accomplished by filing with the Clerk, within 15 days after the vote occurs, a memorandum the substance of which shall be printed in the *Journal*. If the vote is taken in a committee or subcommittee, the memorandum shall be filed, within 15 days after the vote occurs, with the committee or subcommittee administrative assistant, who shall file such memorandum in the committee or subcommittee files and with the Clerk.

3.3—Attendance Obligation

(a) **COMMITTEE AND SUBCOMMITTEE MEETING ATTENDANCE.** A member shall attend all meetings of committees and subcommittees to which appointed unless excused by the chair or by the Speaker. Excuse from a House session shall constitute excuse from that day's meetings. Failure to attend two consecutive meetings, unless excused, shall constitute automatic removal from the committee or subcommittee and create a vacancy. Upon notification of automatic removal, the Speaker may make an appointment to fill such vacancy.

(b) **SESSION ATTENDANCE.**

(1) A member may not be absent from the sessions of the House without approval from the Speaker. Upon written request of a member submitted in a timely manner, the Speaker may, by written notice to the Clerk, excuse the member from attendance for any stated period. It shall be the responsibility

of the excused member to advise the Clerk when leaving and returning to the Chamber.

(2) Any member who has answered roll call, either orally or by electronic means, at the opening of any daily session, or who enters after the initial quorum call and informs the Clerk of the member's presence, shall thereafter be presumed present unless necessarily prevented or leave of absence is obtained from the Speaker. The Speaker shall make any determination as to whether a member was necessarily prevented.

3.4—Open Meetings

(a) Subject to order and decorum, each member shall provide reasonable access to members of the public to any meeting between such member and more than one other member of the Legislature, if such members of the public have requested admission and such meeting has been prearranged for the purpose of agreeing to take formal legislative action on pending legislation or amendments at such meeting or at a subsequent time.

(b) Subject to order and decorum, a member of the public requesting admission shall have reasonable access to any meeting between the Speaker, the Senate President, or the Governor, if such meeting has been prearranged for the purpose of agreeing to take formal legislative action on pending legislation or amendments at a subsequent time.

(c) No meeting required by these rules to be open to members of the public shall be conducted in the Members' Lounge at any location that is closed to the public, or at any location that a participating member knows prohibits admission on the basis of race, religion, gender, national origin, physical disability, or similar classification.

(d) Meetings conducted in the Chamber of either the House or the Senate while such body is in session shall be considered to be held at a location providing reasonable access to, and to be reasonably open to, the public.

(e) When the number of persons attending a meeting subject to this rule must be limited because of space considerations or otherwise for the maintenance of order or decorum, at least one representative each of the print, radio, and television media shall be included among the members of the public admitted, if such persons have requested admission.

(f) For the purpose of this rule, and as used in Section 4 of Article III of the State Constitution, legislation shall be considered pending if filed with the Clerk. An amendment shall be considered pending if it has been delivered to the administrative assistant of a committee or subcommittee in which the legislation is pending or to the Clerk, if the amendment is to a bill that has been reported favorably by each committee or subcommittee of reference. The term "formal legislative action" shall include any vote of the House or Senate, or of a committee or subcommittee of either house, on final passage or on a motion other than a motion to adjourn or recess.

RULE FOUR

DUTIES OF CLERK, SERGEANT AT ARMS, AND EMPLOYEES

4.1—The Clerk

(a) The Clerk serves at the pleasure of the Speaker. The Clerk shall:

(1) Be the custodian of all bills, resolutions, and memorials. No member or other person may take possession of an original bill, after filing, with the intention of depriving the Legislature of its availability for consideration.

(2) Provide for the keeping of a complete record of introduction and action on all bills, resolutions, and memorials, including each number, each sponsor, each cosponsor, a brief description of the subject matter, and each committee and subcommittee reference.

(3) Keep a correct journal of proceedings of the House. The *Journal* shall be numbered serially and published from the first day of each session of the Legislature.

(4) Superintend the engrossing and transmitting of bills, resolutions, and memorials and approve the enrolling of all House bills.

(5) Sign and receive necessary papers in the name of the House between a general election and election of the Speaker.

(6) Perform any other duties assigned by the Speaker.

(b) It shall be a ministerial duty of the Clerk to attest to all writs issued by order of the House and to the passage of all legislative measures.

4.2—The Sergeant at Arms

The Sergeant at Arms (hereinafter "Sergeant") serves at the pleasure of the Speaker. The Sergeant shall attend the House during its sittings and maintain order under the direction of the Speaker or other presiding officer. In case of any disturbance or disorderly conduct within the Chamber, corridors, passages, lobby, galleries, or rooms of the House, whether in the Capitol or elsewhere, the Speaker may order the Sergeant to suppress the same and may order the Sergeant to remove any person creating any disturbance. The Sergeant will ensure that no person is admitted to the Chamber except in accordance with these rules or as directed by the Speaker. The Sergeant shall oversee the security of the House and its members when engaged in their constitutional duties and perform other duties under the command and supervision of the Speaker.

4.3—The Employees

The Speaker shall employ all employees of the House and shall determine their qualifications, duties, hours of work, and compensation, including perquisites and other benefits. All employees work for and serve at the pleasure of the Speaker. The Speaker has the right to dismiss any employee of the House without cause, and the pay of such employee shall stop on the designated day of dismissal. Except when operating under direction from a member with authority over the designated employee, no House employee shall seek to influence the passage or rejection of proposed legislation

RULE FIVE FORM AND INTRODUCTION OF BILLS

5.1—"Bill" Stands for All Legislation

Except when the context otherwise indicates, "bill," as used in these rules, means a bill, joint resolution, concurrent resolution, resolution, memorial, or other measure upon which a committee or subcommittee may be required to report.

5.2—Member Bill Filing Deadline

Filing deadlines for member bills shall be as follows:

(a) No general bill, local bill, joint resolution, concurrent resolution (except one relating to extension of a session or legislative organization or procedures), substantive House resolution, or memorial shall be given first reading unless approved for filing with the Clerk no later than noon of the first day of the regular session.

(b) No ceremonial resolution shall be given first reading unless approved for filing with the Clerk before the 46th day of the regular session.

5.3—Limitation on Member Bills Filed

(a) A member may not file more than six bills for a regular session. For purposes of this rule, the member considered to have filed a bill is the first-named sponsor of the bill.

(1) Of the six bills for the 2019 Regular Session, at least two must be approved for filing with the Clerk no later than noon of the 6th Tuesday before the first day of the regular session.

(2) Of the six bills for the 2020 Regular Session, at least two must be approved for filing with the Clerk no later than noon of the 7th Tuesday before the first day of the regular session.

(b) Bills not counted toward these limits include:

(1) Local bills.

(2) Ceremonial House resolutions.

(3) Memorials.

(4) Concurrent resolutions relating to extension of a session or legislative organization or procedures.

(5) Trust fund bills adhering to another bill.

(6) Public records or public meetings exemption bills adhering to another bill.

(7) General bills adhering to a joint resolution.

(8) Bills that only repeal or delete, without substantive replacement, any provision of the Florida Statutes or Laws of Florida.

(9) Bills withdrawn from further consideration prior to the applicable filing deadline.

(10) Claim bills, whether general or local.

(11) Appropriations project bills.

5.4—Forms of Measures; Sponsorship Transactions

(a) To be acceptable for introduction, all bills shall be produced in accordance with standards approved by the Speaker.

(b) No member may be added or deleted as a sponsor or cosponsor of a bill without the member's consent. A member desiring to be a cosponsor must submit to the Clerk a cosponsorship request agreed to by the first-named sponsor. A member may withdraw as a cosponsor by submitting a request to the Clerk.

(c) Bills that propose to amend existing provisions of law shall contain the full text of the section, subsection, or paragraph to be amended. As to those portions of general bills that propose to amend existing provisions of the Florida Statutes, words to be added shall be inserted in the text underlined, and words to be deleted shall be struck through with hyphens. If the change in language is so general that the use of these procedures would hinder, rather than assist, the understanding of the amendment, it is not necessary to use the coded indicators of words added or deleted, but, in lieu thereof, a notation similar to the following shall be inserted immediately preceding the affected section of the bill: "Substantial rewording of section. See s. . . . , F.S., for present text." When such a notation is used, the notation, as well as the substantially reworded text, shall be underlined. The words to be deleted and the above-described indicators of such words and of new material are for information and guidance and do not constitute a part of the bill under consideration. Numerals in the margins of the line-numbered pages do not constitute a part of the bill and are shown on each page only for convenience in identifying lines. Section catchlines of existing text shall not be underlined, nor shall any other portion of a bill covered by this rule other than new material.

5.5—Local Bills

(a) A committee or subcommittee may not report a local bill favorably if the substance of the local bill may be enacted into law by ordinance of a local governing body without the legal need for a referendum.

(b) A member who has the floor may not be interrupted by another member for any purpose, save the privilege of the House, unless he or she consents to yield to the other member. A member desiring to interrupt another in debate should first address the Speaker for the permission of the member speaking. The Speaker shall then ask the member who has the floor if he or she wishes to yield and shall then announce the decision of that member. Whether to yield shall be entirely within the speaking member's discretion. This subsection shall not, however, deprive the first-named sponsor or mover of the right to close when the effect of an amendment or motion would be to foreclose favorable action on the bill, amendment, or motion.

8.8—Asking Questions of Members

It is entirely within a speaking member's discretion whether to yield to a question. The proper purpose of a question is for the questioner to obtain information in good faith when the questioner does not know the answer, not for the questioner to supply information to the body. Questions should not be used to editorialize, explicate, pontificate, or provide commentary. Neither a question nor an answer to a question may contain arguments or debate.

8.9—Right to Open and Close Debate

The member presenting a motion shall have the right to open and close the debate and, for this purpose, may speak each time up to 10 minutes, unless otherwise limited by majority vote of the House, notwithstanding the limitation in Rule 8.7.

PART FOUR—Materials and Meals in Chamber

8.10—Distribution of Materials in Chamber; Meals in Chamber

(a) The following constitutes policy regarding material distributed to the general membership through the Sergeant at Arms' Office and pages:

(1) All material must be approved by the chair of the Rules Committee prior to such distribution.

(2) The following official materials are approved: House and Senate bills, resolutions, memorials, and amendments thereto, and official calendars and journals; committee and subcommittee meeting notices; communications from the Speaker and Clerk and official communications from the Senate; and official staff reports of standing or select committees or subcommittees or of the majority or minority party.

(b) While members may consume nonalcoholic beverages on the floor, meals will not be allowed on the floor without concurrence of a majority vote.

PART FIVE—Miscellaneous Papers

8.11—Miscellaneous Papers

Papers of a miscellaneous nature addressed to the House may, at the discretion of the Speaker, be read, noted in the *Journal*, or filed with the appropriate committee or subcommittee. When the reading of a paper other than one upon which the House is called to give a final vote is demanded and such reading is objected to by any member, whether the paper shall be read shall be determined without debate by the House by a majority vote.

RULE NINE—VOTING

9.1—Members Shall Vote

Every member shall be within the Chamber during its sittings, unless excused or necessarily prevented, and shall vote on each question put, unless required to abstain under Rule 3.2.

9.2—Taking the Yeas and Nays

The Speaker shall declare all votes, but if any member rises to doubt a vote, upon a showing of hands by five members, the Speaker shall take the sense of the House by oral or electronic roll call. When taking the yeas and nays on any question, the electronic roll-call system may be used and when so used shall have the force and effect of a roll call taken as provided in these rules. This system likewise may be used to determine the presence of a quorum. When the House is ready to vote upon a question requiring roll call, and the vote is by electronic roll call, the Speaker shall say, "The question now recurs on (designating the matter to be voted upon). The Clerk will unlock the machine and the House will proceed to vote." When sufficient time has elapsed for each member to vote, the Speaker shall ask, "Have all members voted?" After a short pause, the Speaker shall say, "The Clerk will lock the machine and record the vote." When the vote is completely recorded, the Speaker shall announce the result to the House, and the Clerk shall record the action upon the *Journal*.

9.3—Vote of the Speaker or Temporary Presiding Officer

The Speaker or temporary presiding officer is not required to vote in legislative proceedings other than on final passage of a bill, except when the Speaker's or temporary presiding officer's vote would be decisive. In all yea and nay votes, the Speaker's or temporary presiding officer's name shall be called last. With respect to voting, the Speaker or temporary presiding officer is subject to the same disqualification and disclosure requirements as any other member.

9.4—Votes After Roll Call; Finality of a Roll Call Vote

(a) After the result of a roll call has been announced, a member may submit to the Clerk an indication of how the member would have voted or would have voted differently. The Clerk shall provide forms for the recording of these actions. When timely submitted, the vote after roll call shall be shown beneath the roll call in the *Journal*. Otherwise, the vote after roll call shall be shown separately in the *Journal*.

(b) In no instance, other than by reason of an electronic or mechanical malfunction, shall the result of a voting machine roll call on any question be changed.

9.5—No Member to Vote for Another Except by Request and Direction

(a) No member may vote for another member except at the other member's specific request and direction. No member may vote for another member who is absent from the Chamber, nor may any person who is not a member cast a vote for a member.

(b) In no case shall a member vote for another on a quorum call.

(c) Any member who votes or attempts to vote for another member in violation of this rule or who requests another member to vote for the requesting member in violation of this rule may be disciplined in such a manner as the House may deem proper.

(d) Any person who is not a member and who votes in the place of a member shall be subject to such discipline as the House may deem proper.

9.6—Explanation of Vote

A member may not explain his or her vote during a roll call but may reduce his or her explanation to writing in not more than 200 words in an electronic format approved by the Clerk. Upon submission to the Clerk, this explanation shall be spread upon the *Journal*.

10.7—Reading of Bills and Joint Resolutions

Each bill and each joint resolution shall be read on 3 separate days prior to a vote upon final passage unless this rule is waived by a two-thirds vote, provided the publication of a bill or joint resolution by its title in the *Journal* shall satisfy the requirements of first reading.

10.8—Reading of Concurrent Resolutions and Memorials

Concurrent resolutions and memorials shall be read on 2 separate days prior to a voice vote upon adoption, except that concurrent resolutions extending a legislative session or involving other procedural legislative matters may be read twice without motion on the same legislative day.

10.9—Reading of House Resolutions

(b) Before any bill shall be read the third time, whether amended or not, it shall be referred without motion to the Engrossing Clerk for examination and, if amended, the engrossing of amendments. In the case of any Senate bill amended in the House, the amendment adopted shall be reproduced and attached to the bill amended in such manner that it will not be lost therefrom.

Upon adoption of a Special Order Calendar, no other bills shall be considered for the time period set forth for that Special Order Calendar, except that any bill appearing on that Special Order Calendar may be stricken from it by a majority vote or any bill may be added to it pursuant to Rule 10.13. A previously adopted Special Order Calendar shall expire upon adoption by the House of a new Special Order Calendar.

(2) Any committee, subcommittee, or member may apply in writing to the chair of the Rules Committee to place a bill on the Special Order Calendar. The Rules Committee may grant such requests by a majority vote.

(3) During the first 55 days of a regular session, the Special Order Calendar shall be published in three Calendars of the House, and it may be taken up on the day of the third published Calendar. After the 55th day of a regular session, the Special Order Calendar shall be published in one Calendar of the House and may be taken up on the day the Calendar is published.

(b) EXTENDED OR SPECIAL SESSION.

(1) If the Legislature extends a legislative session, all bills on the Calendar of the House at the time of expiration of the regular session shall be placed in the Rules Committee.

Such procedures may not be implemented unless approved by a majority vote in session.

10.13—Consideration of Bills Not on Special Order Calendar

A bill not included on the Special Order Calendar may be considered by the House upon a two-thirds vote.

10.14—Consent Calendar

The Rules Committee may submit Consent Calendar procedures to expedite the consideration of noncontroversial legislation.

10.15—Requirements for Placement on Special Order Calendar

No measure may be placed on a Special Order Calendar until it has been reported favorably by each committee and subcommittee of reference and is available for consideration on the floor.

10.16—Informal Deferral of Bills

Whenever the member who introduced a bill or the first-named member sponsor of a committee or subcommittee bill is absent from the Chamber

when the bill has been reached in the regular order on second or third reading, consideration shall be informally deferred until such member's return, unless another member consents to offer the bill on behalf of the original member. The bill shall retain its position on the Calendar of the House during the same legislative day. The member shall have the responsibility of making the motion for its subsequent consideration.

PART FOUR—Ceremonial Resolutions**10.17—Ceremonial Resolutions Published in *Journal***

Upon approval of the chair of the Rules Committee, a ceremonial resolution may be shown as read and adopted by publication in full in the *Journal*. The Rules Committee shall distribute a list of such resolutions 1 day (excluding Saturdays, Sundays, and official state holidays) prior to the day of their publication, during which time any member may file with the Rules Committee an objection to any resolution listed. Each resolution for which an objection has been filed shall be removed from the list and placed on the Calendar of the House. All resolutions without objections shall be printed on the next legislative day in the *Journal* and considered adopted by the House.

PART FIVE—Procedural Limitations in Final Week**10.18—Consideration Limits to Bills after Day 55**

After the 55th day of a regular session, no House bills on second reading may be taken up and considered by the House.

- (1) To adjourn at a time certain.
- (2) To adjourn.
- (3) To recess to a time certain.
- (4) To lay on the table.
- (5) To reconsider.
- (6) For the previous question.
- (7) To limit debate.
- (8) To temporarily postpone.
- (9) To postpone to a time or day certain.
- (10) To refer to or to recommit to committee or subcommittee.
- (11) To amend.
- (12) To amend by removing the enacting or resolving clause.

(b) Such motions shall have precedence in the descending order given.

(c) Notwithstanding paragraph (a)(10) above, the Motion to Withdraw or Refer a Bill pursuant to House Rule 11.11 and the Motion to Refer or Recommit pursuant to House Rule 11.12 are not available in committee or subcommittee.

11.3—Questions of Order Decided Without Debate

The Speaker shall decide, without debate, all procedural questions of order that arise when a motion is before the House or on appeal.

11.4—Division of Question

If a question before the House is susceptible of separation into two or more parts, any member may call for a division of the question so that each part may be voted on separately. However, a motion to remove and insert cannot be divided.

11.5—Motion to Recess to a Time Certain

A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no business is before the House and can be amended as to the time to recess and duration of the recess. It yields only to a motion to adjourn.

11.6—Motion to Lay on the Table

(a) A motion to lay on the table is not debatable and cannot be amended; however, before the motion is put to a vote, the first-named sponsor of a bill or the mover of a debatable motion shall be allowed 5 minutes within which to discuss the same and may divide the time with, or waive this right in favor of, some other member.

(b) A motion to lay an amendment on the table, if adopted, does not carry with it the measure to which it adheres.

11.7—Motion to Reconsider; Immediate Certification of Bills

(a) When a motion or main question has been made and carried or lost, it shall be in order at any time as a matter of right on the same or succeeding legislative day for a member voting with the prevailing side, or for any member in the case of a voice or tie vote, to move for reconsideration thereof.

(b) When a majority of members vote in the affirmative but the proposition is lost because it is one in which the concurrence of a greater number than a majority is necessary for adoption or passage, any member may move for reconsideration.

(c) The motion to reconsider shall require a majority vote for adoption.

(d) If the House refuses to reconsider or upon reconsideration confirms its prior decision, no further motion to reconsider shall be in order except upon unanimous consent of the members present.

(e) Debate shall be allowed on a motion to reconsider only when the question that it is proposing to reconsider is debatable. When debate upon a motion to reconsider is in order, no member shall speak thereon more than once or for more than 5 minutes.

(f) The adoption of a motion to reconsider a vote upon any secondary matter shall not remove the main subject under consideration from consideration of the House.

(g) A motion to reconsider a collateral matter must be disposed of at once during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the House has passed to other business.

(h) No bill referred or recommitted to a committee or subcommittee by a vote of the House shall be brought back into the House on a motion to reconsider.

(i) The Clerk shall retain possession of all bills and joint resolutions for the period after passage during which reconsideration may be moved, except that local bills, concurrent resolutions, and memorials shall be transmitted to the Senate without delay.

(j) The adoption of a motion to waive the rules and immediately certify any bill to the Senate shall be construed as releasing the measure from the Clerk's possession for the period of reconsideration.

(k) Unless otherwise directed by the Speaker, during the last 14 days of a regular session or any extension thereof and during any special session, all measures acted on by the House shall be transmitted to the Senate without delay.

11.8—Motion for the Previous Question

(a) The previous question may be asked and ordered upon any debatable single motion, series of motions, or amendment pending and the effect thereof shall be to conclude all action on the same day. If third reading is reached on another day, the order for the previous question must be renewed on that day.

(b) The motion for the previous question shall be decided without debate. If the motion prevails, the sponsor of a bill or debatable motion and an opponent shall be allowed 3 minutes each within which to debate the pending question, and each may divide the time with, or waive this right in favor of, some other member. On second reading, the final available question is the main amendment; on third reading, it is the bill.

(c) When the motion for the previous question is adopted on a main question, the sense of the House shall be taken without delay on pending amendments and such question in the regular order.

(d) The motion for the previous question may not be made by the first-named sponsor or mover.

11.9—Motion to Limit Debate

When there is debate by the House, it shall be in order for a member to move to limit debate and such motion shall be decided without debate, except that the first-named sponsor or mover of the question under debate shall have 5 minutes within which to discuss the motion and may divide the allotted time with, or waive it in favor of, some other member. If, by majority vote, the question is decided in the affirmative, debate shall be limited to 10 minutes for each side, unless a different time is stated in the motion, such time to be apportioned by the Speaker; however, the first-named sponsor or mover shall have an additional 5 minutes within which to close the debate and may divide the allotted time with, or waive it in favor of, some other member.

11.10—Motion to Temporarily Postpone

(a) The motion to temporarily postpone shall be decided without debate and shall cause a measure to be set aside but retained on the desk.

(b) If a main question has been temporarily postponed after having been debated or after motions have been applied and is not brought back before the House on the same legislative day, it shall be placed under the order of unfinished business on the Calendar of the House. If a main question is temporarily postponed before debate has commenced or motions have been applied, its reading shall be considered a nullity and the bill shall retain its original position on the order of business on the same legislative day; otherwise, the bill reverts to the status of bills on second or third reading, as applicable.

(c) The motion to return to consideration of a temporarily postponed main question shall be made under the proper order of business when no other matter is pending.

(d) If applied to a collateral matter, the motion to temporarily postpone shall not cause the main question to be carried with it. After having been temporarily postponed, if a collateral matter is not brought back before the House in the course of consideration of the adhering or main question, it shall be deemed abandoned.

11.11—Motion to Withdraw or Refer a Bill

(a) A motion to withdraw a bill from a committee or subcommittee shall require a two-thirds vote on the floor.

(b) Any member may, no later than under the order of business of Motions Relating to Committee and Subcommittee References on the legislative day following reference of a bill, move for reference from one committee or subcommittee to a different committee or subcommittee, which shall be decided by a majority vote.

(c) A motion to refer a bill from one committee or subcommittee to another committee or subcommittee, other than as provided in subsection (b), may be made during the regular order of business and shall require a two-thirds vote.

(d) A motion to refer a bill to an additional committee or subcommittee may be made during the regular order of business and shall require a two-thirds vote.

(e) A motion to refer shall be debated only as to the propriety of the reference.

(f) A motion to withdraw a bill from further consideration of the House shall require a two-thirds vote.

(1) The chair or vice chair of the Rules Committee, at the request of the first-named member sponsor, may move for the withdrawal of a bill from further consideration.

(2) The first-named member sponsor of a bill may, prior to its introduction and provided no substantive action has been taken on it, withdraw the bill by written notice to the Clerk.

(3) In moving for the withdrawal of a bill from further consideration by floor motion, the introducer shall be required to identify the nature of the bill.

11.12—Motion to Refer or Recommit

(a) Any bill on the Calendar of the House may be referred or recommitted by the House to a committee or subcommittee by a majority vote.

(b) A motion to refer or recommit a bill that is before the House may be made during the regular order of business. The motion shall be debatable only as to the propriety of that reference and shall require an affirmative majority vote.

(c) If a bill on third reading is referred or recommitted to a committee or subcommittee that subsequently reports the bill favorably with a committee or subcommittee substitute or with one or more amendments, the bill shall return to second reading.

(d) Referral or recommitment of a House bill shall automatically carry with it a Senate companion bill then on the Calendar of the House.

11.13—Dilatory Motions

Dilatory or delaying motions shall not be in order as determined by the Speaker.

11.14—Withdrawal of Motion

(a) The mover of a motion may withdraw the motion at any time before it has been amended or a vote on it has commenced.

(b) Notwithstanding subsection (a), once the proposer of an amendment is recognized, the amendment may be withdrawn only with the consent of the body.

**RULE TWELVE
AMENDMENTS**

12.1—Form

(a) Floor amendments shall be prepared by the House Bill Drafting Service and filed with the Clerk.

(b) A floor amendment filed with the Clerk after the applicable filing deadline is late filed. A late-filed floor amendment may be taken up for consideration only upon motion adopted by a two-thirds vote.

12.2—Filing Deadlines for Floor Amendments

(a) During the first 55 days of a regular session:

(1) Main floor amendments must be submitted to the House Bill Drafting Service by 3 p.m. and approved for filing with the Clerk by 4 p.m. of the first day a bill appears on the Special Order Calendar in the Calendar of the House; and

(2) Amendments to main floor amendments and substitute amendments for main floor amendments must be submitted to the House Bill Drafting Service by 6:30 p.m. and approved for filing by 7 p.m. of the same day.

(b) After the 55th day of a regular session and during any extended or special session:

(1) Main floor amendments must be approved for filing with the Clerk not later than 2 hours before session is scheduled to convene on the day a bill appears on the Special Order Calendar in the Calendar of the House; and

(2) Amendments to main floor amendments and substitute amendments for main floor amendments must be approved for filing not later than 1 hour after the main floor amendment deadline.

(c) Notwithstanding the foregoing, subject to approval by a majority vote of the House, the Rules Committee may establish special amendment deadlines and procedures for appropriations bills, implementing bills, and conforming bills, as well as for bills proposing any reapportionment or redistricting of the state's legislative or congressional districts.

12.3—Presentation and Consideration

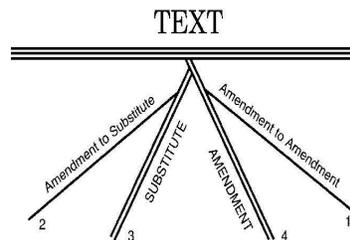

(a) Amendments shall be taken up only as sponsors gain recognition from the Speaker, except that the chair of the committee or subcommittee (or any member thereof designated by the chair) reporting the measure under consideration shall have preference for the presentation of committee or subcommittee amendments to Senate bills.

(b) An amendment to a pending main amendment may be received, but until it is disposed of, no other motion to amend will be in order except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

(1) Amendments to the amendment are voted on before the substitute is taken up. Only one amendment to the amendment is in order at a time.

(2) Amendments to the substitute are next voted on.

(3) The substitute then is voted on. The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

(c) The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order.

(d) For the purpose of this rule, an amendment shall be deemed pending only after its proposer has been recognized by the Speaker.

(e) Reviser's bills may be amended only by making deletions.

12.4—Second and Third Reading; Vote Required on Third Reading

(a) A motion to amend is in order during the second or third reading of any bill.

(b) Amendments proposed on third reading shall require a two-thirds vote for adoption, except that technical amendments introduced in the name of the chair of the Rules Committee shall require a majority vote for adoption. Amendments on third reading, other than technical amendments introduced in the name of the chair of the Rules Committee, must be submitted to the House Bill Drafting Service no later than 1 hour before the applicable filing deadline and approved for filing not later than the earlier of the following deadlines:

(1) Nine a.m. on the day session is scheduled to convene on the day the bill is reached on third reading; or

(2) One hour before session is scheduled to convene on the day the bill is reached on third reading.

(c) A motion for reconsideration of an amendment on third reading requires a two-thirds vote for adoption.

12.5—Amendment of Appropriations Bills, Implementing Bills, and Conforming Bills

(a) For purposes of these rules:

(1) An "appropriations bill" is a general appropriations bill or any other bill the title text of which begins "An act making appropriations," "An act making special appropriations," or "An act making supplemental appropriations."

(2) An "implementing bill" is a bill, effective for one fiscal year, implementing an appropriations bill.

(3) A "conforming bill" is a bill designated as such by the Speaker that amends the Florida Statutes to conform to an appropriations bill.

(b) Whether on the floor or in any committee or subcommittee, whenever an amendment is offered to an appropriations bill that would either increase any state appropriation or decrease any state revenue for any fund, such amendment shall show the amount of the appropriation increase or revenue decrease for a fund by line item and by section and shall decrease an appropriation from within the same appropriations allocation and sub-allocation (as determined by the Speaker) or increase a revenue to the fund in an amount equivalent to or greater than the corresponding appropriation increase or revenue decrease required by the amendment.

(c) Whether on the floor or in any committee or subcommittee, an amendment offered to an implementing bill or to a conforming bill shall not increase a state appropriation to a level that is in excess of the allocations or sub-allocations determined by the Speaker for a fund.

(d) Whether on the floor or in any committee or subcommittee, any amendment offered to an implementing bill or to a conforming bill that reduces revenues supporting appropriations must raise the equivalent or greater revenue for the same fund from other sources.

12.6—Consideration of Senate Amendments

(a) After the reading of a Senate amendment to a House bill, the following motions shall be in order and shall be privileged in the order named:

- (1) Amend the Senate amendment.
- (2) Concur in the Senate amendment.
- (3) Refuse to concur and ask the Senate to recede.

(4) Request the Senate to recede and, if the Senate refuses to recede, to appoint a conference committee to meet with a like committee appointed by the Speaker.

- (1) That the House recede.
- (2) That the House insist and ask for a conference committee.
- (3) That the House insist.

(c) The Speaker may, upon determining that a Senate amendment substantially changes the bill as passed by the House, refer the Senate message, with the bill and Senate amendment or amendments, to the appropriate House committee or subcommittee for review and report to the House. The Speaker, upon such reference, shall announce the date and time for the committee or subcommittee to meet. The committee or subcommittee shall report to the House the recommendation for disposition of the Senate amendment or amendments under one of the four options presented in subsection (a). The report shall be furnished to the Clerk and to the House, in writing, by the chair of the reporting committee or subcommittee.

12.7—Motion to Amend by Removing Enacting or Resolving Clause

An amendment to remove the enacting clause of a bill or the resolving clause of a resolution or memorial shall, if carried, be considered equivalent to rejection of the bill, resolution, or memorial by the House.

12.8—Germanity of House Amendments

(a) GERMANITY.

(1) Neither the House nor any committee or subcommittee shall consider an amendment that relates to a different subject or is intended to accomplish a different purpose than that of the pending question or that, if adopted, would

require a title amendment for the bill that is substantially different from the bill's original title or that would unreasonably alter the nature of the bill.

(2) The Speaker, or the chair in the case of an amendment offered in committee or subcommittee, shall determine the germanity of any amendment when the question is timely raised.

(3) An amendment of the second degree or a substitute amendment must be germane to both the main amendment and the measure to which it adheres.

(b) AMENDMENTS THAT ARE NOT GERMANE. House amendments that are not germane include:

(1) A general proposition amending a specific proposition.

(2) An amendment amending a statute or session law when the purpose of the bill is limited to repealing such law, or an amendment repealing a statute or session law when the purpose of the bill is limited to amending such law.

(3) An amendment that substantially expands the scope of the bill.

(4) An amendment to a bill when legislative action on that bill is by law or these rules limited to passage, concurrence, or nonconcurrence as introduced.

(c) AMENDMENTS THAT ARE GERMANE. Amendments that are germane include:

(1) A specific provision amending a general provision.

(2) An amendment that accomplishes the same purpose in a different manner.

(3) An amendment limiting the scope of the proposal.

(4) An amendment providing appropriations necessary to fulfill the original intent of a proposal.

(5) An amendment that changes the effective date of a repeal, reduces the scope of a repeal, or adds a short-term nonstatutory transitional provision to facilitate repeal.

(d) WAIVER OF RULE. Waiver of this rule shall require unanimous consent of the House.

12.9—Floor Amendments Out of Order

A floor amendment is out of order if it is the principal substance of a bill that has:

(a) Received an unfavorable committee or subcommittee report;

(b) Been withdrawn from further consideration; or

(c) Not been reported favorably by at least one committee or subcommittee of reference and may not be offered to a bill on second or third reading. Any amendment that is substantially the same, and identical as to specific intent and purpose, as the measure residing in a committee or subcommittee of reference is covered by this rule.

12.10—Printing of Amendments in *Journal*

(b) A member suspended under the provisions of this rule may, within 10 days after such suspension, file a written request for a hearing, setting forth specific reasons contesting the member's suspension. Upon receipt of a written request for a hearing, the Speaker shall appoint a select committee, which shall commence a hearing on the member's suspension within 30 days and issue a report to the House within 10 days after the conclusion of the hearing. The report of the select committee shall be final unless the member, within 10 days after the issuance of the report, requests in writing that the Speaker convene the full House to consider the report of the select committee. Upon receipt of a request for such consideration, the Speaker shall timely convene the House for such purpose.

(c) If the final appellate decision is to sustain the conviction, then the member's suspension shall continue to the end of the member's term. If the final appellate decision is to vacate the conviction and there is a rehearing, the member shall be subject to Rule 15.10. (a) In order to carry out its duties, each standing or select committee, whenever required, may issue subpoenas and other necessary process to compel the attendance of witnesses before such committee or the taking of a deposition pursuant to these rules.

(b) Each standing or select committee, whenever required, may also compel by subpoena *duces tecum* the production of any books, letters, or other documentary evidence it may need to examine in reference to any matter before it.

(c) The chair of the standing or select committee shall issue such process on behalf of such committee after a majority of the committee votes to approve issuance and the Speaker has provided written approval. The chair or any other member of such committee may administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear before such committee for the purpose of testifying in any matter about which such committee may require evidence.

16.2—Contempt Proceedings

(a) The House may punish, by fine or imprisonment, any person who is not a member and who is guilty of disorderly or contemptuous conduct in its presence or of a refusal to obey its lawful summons.

(b) A person shall be deemed in contempt if the person:

(1) Fails or refuses to appear in compliance with a subpoena or, having appeared, fails or refuses to testify under oath or affirmation;

(2) Fails or refuses to answer any relevant question or fails or refuses to furnish any relevant book, paper, or other document subpoenaed on behalf of such committee; or

(3) Commits any other act or offense against such committee that, if committed against the Legislature or either house thereof, would constitute contempt.

(c) During a legislative session, a standing or select committee may, by majority vote of all of its members, apply to the House for contempt citation. The application shall be considered as though the alleged contempt had been committed in or against the House itself. If such committee is meeting during the interim, its application shall be made to the circuit court pursuant to Rule 16.6.

(d) A person guilty of contempt under this rule may be fined not more than \$500 or imprisoned not more than 90 days or both, or may be subject to such other punishment as the House may, in the exercise of its inherent powers, impose prior to and in lieu of the imposition of the aforementioned penalty.

(e) The sheriffs in the several counties shall make such service and execute all process or orders when required by standing or select committees. Sheriffs shall be paid as provided for in s. 30.231, Florida Statutes.

16.3—False Swearing

Whoever willfully affirms or swears falsely in regard to any material matter or thing before any standing or select committee is guilty of false swearing in an official proceeding, which is a felony of the second degree and shall be punished as provided in s. 775.082, s. 775.083, or s. 775.084, Florida Statutes.

16.4—Rights of Witnesses

(a) All witnesses summoned before any standing or select committee shall receive reimbursement for travel expenses and per diem at the rates provided in s. 112.061, Florida Statutes. However, the fact that such reimbursement is not tendered at the time that the subpoena is served shall not excuse the witness from appearing as directed therein.

(b) Service of a subpoena requiring the attendance of a person at a meeting of a standing or select committee shall be made in the manner provided by law for the service of subpoenas in a civil action at least 7 days prior to the date of the meeting unless a shorter period of time is authorized by majority vote of all the members of such committee. If a shorter period of time is authorized, the persons subpoenaed shall be given reasonable notice of the meeting, consistent with the particular circumstances involved.

(c) Any person who is served with a subpoena to attend a meeting of any standing or select committee also shall be served with a general statement informing the person of the subject matter of such committee's investigation or inquiry and a notice that the person may be accompanied at the meeting by private counsel.

(d) Upon the request of any party and the approval of a majority of the standing or select committee, the chair shall instruct all witnesses to leave the meeting room and retire to a designated place. The witness shall be instructed by the chair not to discuss the testimony of the witness or the testimony of any other person with anyone until the meeting has been adjourned and the witness has been discharged by the chair. The witness shall be further instructed that if any person discusses or attempts to discuss the matter under investigation with the witness after receiving such instructions, the witness shall bring such matter to the attention of such committee. No member of such committee or representative thereof may discuss any matter or matters pertinent to the subject matter under investigation with any witness to be called before such committee from the time that these instructions are given until the meeting has been adjourned and the witness has been discharged by the chair. Any person violating this subsection shall be in contempt of the House.

(e) Any standing or select committee taking sworn testimony from witnesses as provided in these rules shall cause a record to be made of all proceedings in which testimony or other evidence is demanded or adduced, which record shall include rulings of the chair, questions of such committee and its staff, the testimony or responses of witnesses, sworn written statements submitted to the committee, and such other matters as the committee or its chair may direct.

(f) A witness at a meeting, upon advance request and at the witness's own expense, shall be furnished a certified transcript of the witness's testimony at the meeting.

16.5—Right of Other Persons to be Heard

(a) Any person who, in the opinion of the committee, is adversely affected as a result of being mentioned or otherwise identified during a meeting being conducted for the purpose of taking sworn testimony from witnesses of any standing or select committee may, upon the request of the person or upon the request of any member of such committee, appear personally before such committee and testify on the person's own behalf, or, with such committee's consent, file a sworn written statement of facts or other documentary evidence for incorporation into the record of the meeting. Any such witness, however, shall, before filing such statement, consent to answer questions from such committee regarding the contents of the statement.

(b) Upon the consent of a majority of the members present, a quorum having been established, any standing or select committee may permit any other person to appear and testify at a meeting or submit a sworn written statement of facts or other documentary evidence for incorporation into the record. No request to appear, appearance, or submission shall limit in any way the committee's power of subpoena. Any such witness, however, shall, before filing such statement, consent to answer questions from any standing or select committee regarding the contents of the statement.

16.6—Enforcement of Subpoena Out of Session

If any witness fails to respond to the lawful subpoena of any standing or select committee at a time when the Legislature is not in session or, having responded, fails to answer all lawful inquiries or to turn over evidence that has been subpoenaed, such committee may file a complaint before any circuit court of the state setting up such failure on the part of the witness. On the filing of such complaint, the court shall take jurisdiction of the witness and the subject matter of the complaint and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in the possession of the witness that is lawfully demanded. The failure of any witness to comply with such order of the court shall constitute a direct and criminal contempt of court, and the court shall punish such witness accordingly.

16.7—Definition

Pursuant to Rule 7.1(b) and for purposes of Rule 16, the term "committee" includes the House and any subcommittee thereof.

**RULE SEVENTEEN

17.1—Obligations of a Lobbyist

(a) A lobbyist shall supply facts, information, and opinions of principals to legislators from the point of view that the lobbyist openly declares. A lobbyist shall not offer or propose anything that may reasonably be construed to improperly influence the official act, decision, or vote of a legislator, nor shall a lobbyist attempt to improperly influence the selection of officers or employees of the House. A lobbyist, by personal example and admonition to colleagues, shall maintain the honor of the legislative process, including faithful adherence to the rules of the House, by the integrity of the lobbyist's relationship with legislators as well as with the principals whom the lobbyist represents. Each lobbyist shall conduct himself or herself at all times in a manner that promotes a professional environment in the House, exemplifies proper conduct in public meetings, promotes lawful conduct by all involved in the legislative process, and contributes to an environment free from harassment and discrimination. Each lobbyist shall respect and support the honorable conduct of the members of the House and discourage unlawful conduct.

(b) A lobbyist shall not knowingly and willfully falsify, conceal, or cover up, by any trick, scheme, or device, a material fact; make any false, fictitious, or fraudulent statement or representation; or make or use any writing or document knowing the same to contain any false, fictitious, or fraudulent statement or entry.

(c) During a regular session or any extended or special session, a lobbyist may not contribute to a member's campaign.

(d) A lobbyist may not make any expenditure prohibited by s. 11.045(4)(a), Florida Statutes.

(e) No registered lobbyist shall be permitted upon the floor of the House while it is in session.

(f) A member shall not be directly or indirectly lobbied via electronic communication while the House is in daily session or during any meeting of a committee or subcommittee to which the House member has been appointed. The term "electronic communication" includes, but is not limited to, e-mail, text messaging, social media messaging, and image sharing.

(g) A lobbyist who was a member of the Legislature at any time after November 8, 2016, may not lobby the House for a period of 6 years following vacation of office as a member of the Legislature.

(h) A lobbyist may not lobby the House for any purpose with respect to any issue, amendment, bill, or appropriation unless the lobbyist has filed a House appearance record with the Public Integrity & Ethics Committee identifying the specific matter and each principal represented thereon. The record shall be filed in the manner directed by the Speaker in advance of lobbying on the matter. On matters other than specific bills or amendments identified by bill or amendment number, an issue or appropriation must be identified with specificity sufficient to give notice of each particular legislative subject or proposal that is a subject of any communication that constitutes lobbying.

(i) A lobbyist or lobbying firm shall file with the Public Integrity & Ethics Committee a true and correct copy of the lobbying contract and any addendum thereto, including accurate information regarding fees to be paid under such contract, when the lobbyist or lobbying firm registers to lobby the Legislature or the Executive Branch on behalf of any officer of this state; any executive or judicial department of this state; any political subdivision, special district, public authority, public hospital, council, commission, unit of local government, or public education entity in this state; or any authority, council, commission, direct-support organization, institution, foundation, or similar entity that is created by law or ordinance to pursue a public purpose, entitled by law or ordinance to any distribution of tax or fee revenues, or organized for the sole purpose of supporting one of the public entities listed in this subsection. This subsection does not apply if the lobbyist is an employee of such principal, the lobbyist's salary is published on the Internet, and the lobbyist does not engage in lobbying on behalf of any other principal.

17.2—Advisory Opinions; Compilation Thereof

A lobbyist, when in doubt about the applicability and interpretation of Rule 17.1 in a particular context related to that lobbyist's conduct, or any person when in doubt about the applicability and interpretation of s. 11.045, s. 112.3148, or s. 112.3149, Florida Statutes, as such statute or statutes may apply to that person, may request an advisory opinion under this rule. Such request shall be in writing, addressed to the Speaker, and shall contain the relevant facts. The Speaker shall either refer the issue to the House general counsel for review and drafting of an advisory opinion of the Speaker or refer the issue to a committee designated by the Speaker to have responsibility for the ethical conduct of lobbyists, and the person requesting the advisory opinion may appear in person before such committee. The Speaker or this committee shall render advisory opinions to the person who seeks advice as to whether the facts as described in the request and any supplemental communication would constitute a violation of such rule or statute by that person. Such opinion, until amended or revoked, shall be binding upon the House in any proceeding upon a subsequent complaint concerning the person who sought the opinion and acted on it in good faith, unless material facts were omitted or misstated in the request for the advisory opinion. Upon request of the person who requested the advisory opinion or any member, the committee designated by the Speaker to have responsibility for the ethical conduct of lobbyists may revise any advisory opinion issued by the Speaker or may revise any advisory opinion issued by the general counsel of the Office of Legislative Services under Joint Rule 1.8. The House general counsel or this committee shall make sufficient deletions to prevent disclosing the identity of persons in the decisions or opinions. All advisory opinions of the Speaker or this committee shall be numbered, dated, and published in an annual

publication of the House. The Clerk shall keep a compilation of all advisory opinions.

17.3—Penalties for Violations

Separately from any prosecutions or penalties otherwise provided by law, any person determined to have violated the foregoing requirements of Rule 17, any provision in Joint Rule One, or s. 11.045, s. 112.3148, or s. 112.3149, Florida Statutes, may be reprimanded, censured, prohibited from lobbying for all or any part of the legislative biennium during which the recommended order is proposed, or have such other penalty imposed as may be appropriate. Such determination shall be made by a majority of the House, upon recommendation of the Public Integrity & Ethics Committee pursuant to Rule 18. Any prohibition or other limitation imposed by the House may be continued for up to a total of 2 years by a determination made by a majority of the House at or following the organization session following the biennium during which such prohibition or other limitation was imposed.

RULE EIGHTEEN COMPLAINTS AGAINST MEMBERS AND OFFICERS OF THE HOUSE, LOBBYISTS, AND OTHER PERSONS

18.1—Complaints Against Members and Officers of the House, Lobbyists, and Other Persons; Procedure

Rule 18 governs proceedings on all complaints under the jurisdiction of the House. Such complaints include, but are not limited to:

(b) Violations of House Rule 17.1, Joint Rule One, or s. 11.045, s. 112.3148, or s. 112.3149, Florida Statutes, by any lobbyist or person other than a member of the House. The complaint shall contain the name and legal address of the person filing the complaint ("complainant"), be based on the complainant's personal knowledge, state detailed facts, specify the actions of the named respondent which form the basis for the complaint, and identify each specific rule or law alleged by the complainant to have been violated.

(b) Upon a determination by the chair of the Public Integrity & Ethics Committee that the complaint states facts supporting a finding of probable cause, the Speaker shall refer the complaint to a special master or to a select subcommittee of the Public Integrity & Ethics Committee, as recommended by the chair. Upon a determination by the chair of the Public Integrity & Ethics Committee that the complaint fails to state facts supporting a finding of probable cause, the complaint shall be dismissed.

(c) Upon referral by the Speaker of a complaint under subsection (b), the special master or select subcommittee shall conduct an investigation, shall give reasonable notice to the respondent, and shall grant the respondent an opportunity to be heard unless the investigation fails to reveal facts supporting a finding of probable cause. A special master's or select subcommittee's report and recommendation is advisory only and shall be presented to the chair of the Public Integrity & Ethics Committee as soon as practicable after the close of the investigation. If the report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the chair of the Public Integrity & Ethics Committee.

(d) If the report and recommendation of the special master or select subcommittee conclude that the facts support a finding of probable cause, the Public Integrity & Ethics Committee shall consider the report and recommendation, may make further inquiry, shall grant the respondent an

opportunity to be heard, and shall develop its own recommendation. If the complaint is against the chair of the Public Integrity & Ethics Committee, the chair is excused and the vice chair shall preside over the deliberation. If the Public Integrity & Ethics Committee votes to dismiss the complaint, the chair of the Public Integrity & Ethics Committee or vice chair shall dismiss the complaint. Otherwise, the special master's or select subcommittee's report and recommendation and the recommendation of the Public Integrity & Ethics Committee shall be presented to the Speaker.

(e) The Speaker shall present the committee's recommendation, along with the report and recommendation of the special master or the select subcommittee, to the House for final action.

(f) Nothing in this rule prohibits the chair of the Public Integrity & Ethics Committee from correcting or preventing the alleged violation by informal means if the chair determines that a violation is inadvertent, technical, or otherwise *de minimis*.

(g) Nothing in this rule prohibits the respondent and the chair of the Public Integrity & Ethics Committee, the special master, or a select subcommittee from agreeing to a consent decree, which shall state findings of fact, and such penalty as may be appropriate. If the House accepts the consent decree, the complaint pursuant to these rules shall be resolved.

(h) The House may move forward with disciplinary proceedings without waiting for the outcome of a criminal case.

18.3—Confidentiality

Any material provided to the House in response to a complaint filed under Rule 18 that is confidential under applicable law shall remain confidential and shall not be disclosed except as authorized by applicable law. Except as otherwise provided in this rule, a complaint and the records relating to a complaint shall be available for public inspection upon the dismissal of a complaint, a determination as to probable cause, informal resolution of a complaint, or the receipt by the Speaker of a request in writing from the respondent that the complaint and other records relating to the complaint be made public records.

18.4—Conflict

If a complaint is filed against the chair of the Public Integrity & Ethics Committee, the initial review of the complaint shall be managed by the Speaker or, if designated by the Speaker, the Speaker *pro tempore*. If a complaint is filed against the Speaker, the duties of the Speaker pursuant to Rule 18 shall be transferred to the Speaker *pro tempore*.

18.5—Time Limitations

(a) A complaint must be filed with the chair of the Public Integrity & Ethics Committee within 2 years after the alleged violation.

(b) A violation of the House Code of Conduct is committed when every element necessary to establish a violation of the rule has occurred, and time starts to run on the day after the violation occurred.

(c) The applicable period of limitation is tolled on the day a sworn complaint is filed with the chair of the Public Integrity & Ethics Committee.

JOINT RULES

The Eighty-ninth Florida Legislature
Enacted through SCR 2-Org. (2018O), November 20, 2018

Joint Rule One—Lobbyist Registration and Compensation Reporting

1.1—Those Required to Register; Exemptions; Committee Appearance Records

(1) All lobbyists before the Florida Legislature must register with the Lobbyist Registration Office in the Office of Legislative Services. Registration is required for each principal represented.

(2) As used in Joint Rule One, unless the context otherwise requires, the term:

(a) "Compensation" means payment, distribution, loan, advance, reimbursement, deposit, salary, fee, retainer, or anything of value provided or owed to a lobbying firm, directly or indirectly, by a principal for any lobbying activity.

(b) "Legislative action" means introduction, sponsorship, testimony, debate, voting, or any other official action on any measure, resolution, amendment, nomination, appointment, or report of, or any matter that may be the subject of action by, either house of the Legislature or any committee thereof.

(c) "Lobby" or "lobbying" means influencing or attempting to influence legislative action or nonaction through oral or written communication or through an attempt to obtain the goodwill of a member or employee of the Legislature.

(d) "Lobbying firm" means any business entity, including an individual contract lobbyist, that receives or becomes entitled to receive any compensation for the purpose of lobbying and where any partner, owner, officer, or employee of the business entity is a lobbyist. "Lobbying firm" does not include an entity that has employees who are lobbyists if the entity does not derive compensation from principals for lobbying or if such compensation is received exclusively from a subsidiary or affiliate corporation of the employer. As used in this paragraph, an affiliate corporation is a corporation that directly or indirectly shares the same ultimate parent corporation as the employer and does not receive compensation for lobbying from any unaffiliated entity.

(e) "Lobbyist" means a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity. An employee of the principal is not a lobbyist unless the employee is principally employed for governmental affairs. The term "principally employed for governmental affairs" means that one of the principal or most significant responsibilities of the employee to the employer is overseeing the employer's various relationships with government or representing the employer in its contacts with government. Any person employed by the Governor, the Executive Office of the Governor, or any executive or judicial department of the state or any community college of the state who seeks to encourage the passage, defeat, or modification of any legislation by personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, is a lobbyist.

(f) "Lobbyist Registration and Compensation Reporting System (LRCRS)" means the online application that serves as the system of record for the Lobbyist Registration Office in the Office of Legislative Services and consists of the electronic registration system and the electronic filing system.

(g) "LRO" means the Lobbyist Registration Office in the Office of Legislative Services.

(h) "Office" means the Office of Legislative Services.

(i) "Payment" or "salary" means wages or any other consideration provided in exchange for services but does not include reimbursement for expenses.

(j) "Principal" means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; the individual members of the association are not principals merely because of their membership in the association.

(k) "Unusual circumstances," with respect to any failure of a person to satisfy a filing requirement, means uncommon, rare, or sudden events over which the person has no control and which directly result in the failure to satisfy the filing requirement.

(3) For purposes of Joint Rule One, the terms "lobby" and "lobbying" do not include any of the following:

(a) A response to an inquiry for information made by any member, committee, or staff of the Legislature.

(b) An appearance in response to a legislative subpoena.

(c) Advice or services that arise out of a contractual obligation with the Legislature, a member, a committee, any staff, or any legislative entity to render the advice or services where such obligation is fulfilled through the use of public funds.

(d) Representation of a client before the House of Representatives or the Senate, or any member or committee thereof, when the client is subject to disciplinary action by the House of Representatives or the Senate, or any member or committee thereof.

(4) For purposes of registration and reporting, the term "lobbyist" does not include any of the following:

(a) A member of the Legislature.

(b) A person who is employed by the Legislature.

(c) A judge who is acting in that judge's official capacity.

(d) A person who is a state officer holding elective office or an officer of a political subdivision of the state holding elective office and who is acting in that officer's official capacity.

(e) A person who appears as a witness or for the purpose of providing information at the written request of the chair of a committee, subcommittee, or legislative delegation.

(f) A person employed by any executive or judicial department of the state or any community college of the state who makes a personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, while that person is on approved leave or outside normal working hours and who does not otherwise meet the definition of a lobbyist.

(5) When a person, regardless of whether the person is registered as a lobbyist, appears before a committee of the Legislature, that person must submit a Committee Appearance Record as required by the respective house.

(6) The responsibilities of the Office and of the LRO under Joint Rule One may be assigned to another entity by agreement of the President of the Senate and the Speaker of the House of Representatives for a contract period not to extend beyond December 1 following the Organization Session of the next biennium, provided that the powers and duties of the President, the Speaker, the General Counsel of the Office of Legislative Services, and any legislative committee referenced in Joint Rule One may not be delegated.

1.2—Method of Registration

(1) Each person required to register with the LRO must register through the LRCRS and attest to that person's full legal name, business address, e-mail address, and telephone number; the name, business address, e-mail address, and telephone number of each principal that person represents; and the extent of any direct business association or partnership that person has with any member of the Legislature. If the lobbyist is, or belongs to, a lobbying firm,

the lobbyist must state the name, address, and telephone number of the lobbying firm and the e-mail address of the person responsible for the submission of compensation reports. All lobbyists associated with the same firm must register using the identical name, address, and e-mail address of the firm in the LRCRS. Registration is not complete until the LRCRS receives authorization from the principal's representative and the registration fee. Lobbyists may not authorize themselves on behalf of the principal representative. Any changes to the information existing in the LRCRS must be updated online in the LRCRS within 15 days from the effective date of the change.

(2) Any person required to register must do so with respect to each principal prior to commencement of lobbying on behalf of that principal. The LRCRS will request authorization from the principal with the principal's name, business address, e-mail address, and telephone number to confirm that the registrant is authorized to represent the principal. The principal or principal's representative shall also identify and designate the principal's main business pursuant to a classification system approved by the Office, which shall be the North American Industry Classification System (NAICS) six-digit numerical code that most accurately describes the principal's main business.

(3) Any person required to register must renew the registration annually for each calendar year through the LRCRS.

(4) A lobbyist shall promptly cancel the registration for a principal upon termination of the lobbyist's representation of that principal. A cancellation takes effect the day it is received by the LRCRS. Notwithstanding this requirement, the LRO may remove the name of a lobbyist from the list of registered lobbyists if the principal notifies the LRO in writing that the lobbyist is no longer authorized to represent that principal.

(5) Should a registered lobbyist identify a scrivener's error in their own registration in the LRCRS after submission, they may make a written request to the LRO to correct such error. The request must clearly identify and describe the error. Each request will be reviewed by the Office before any changes will be made.

(6) The LRO shall retain registration information submitted under this rule.

(7) A person required to register under Joint Rule One shall be considered a lobbyist of the Legislature for the purposes of ss. 11.045, 112.3148, and 112.3149, Florida Statutes.

1.3—Registration Costs; Exemptions

(1) To cover the costs incurred for the administration of Joint Rule One, each person who registers under Joint Rule 1.1 must pay an annual registration fee to the LRO. The annual period runs from January 1 to December 31. These fees must be paid at the time of registration.

(2) The following persons are exempt from paying the fee, provided they are designated in writing by the agency head or person designated in this subsection:

(a) Two employees of each department of the executive branch created under chapter 20, Florida Statutes.

(b) Two employees of the Fish and Wildlife Conservation Commission.

(c) Two employees of the Executive Office of the Governor.

(d) Two employees of the Commission on Ethics.

(e) Two employees of the Florida Public Service Commission.

(f) Two employees of the judicial branch designated in writing by the Chief Justice of the Florida Supreme Court.

(3) The annual fee is up to \$50 per legislative entity for a person to register to represent one principal and up to an additional \$10 per legislative entity for each additional principal that the person registers to represent. The amount of each fee shall be established annually by the President of the Senate and the Speaker of the House of Representatives. The fees set must be adequate to ensure operation of the lobbyists' registration, compensation, and reporting functions. The fees collected by the LRO under this rule shall be deposited into the State Treasury and credited to the Legislative Lobbyist Registration Trust Fund specifically to cover the costs incurred in administering Joint Rule One.

1.4—Reporting of Lobbying Firm Compensation

(1)(a) Each lobbying firm shall file a compensation report with the LRO through the LRCRS for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. The report must include the:

1. Full name, business address, and telephone number of the lobbying firm;
2. Registration name of each of the firm's lobbyists; and
3. Total compensation provided or owed to the lobbying firm from all principals for the reporting period, reported in one of the following categories: \$0; \$1 to \$49,999; \$50,000 to \$99,999; \$100,000 to \$249,999; \$250,000 to \$499,999; \$500,000 to \$999,999; or \$1 million or more.

(b) For each principal represented by one or more of the firm's lobbyists, the lobbying firm's compensation report must also include the:

1. Full name, business address, and telephone number of the principal; and
2. Total compensation provided or owed to the lobbying firm for the reporting period, reported in one of the following categories: \$0; \$1 to \$9,999; \$10,000 to \$19,999; \$20,000 to \$29,999; \$30,000 to \$39,999; \$40,000 to \$49,999; or \$50,000 or more. If the category "\$50,000 or more" is selected, the specific dollar amount of compensation must be reported, rounded up or down to the nearest \$1,000.

(c) Compensation shall be reported using the accrual basis of accounting.

(d) Compensation reports should reflect compensation received for lobbying the legislative branch only.

(e) If the lobbying firm subcontracts work from another lobbying firm and not from the original principal:

1. The lobbying firm providing the work to be subcontracted shall be treated as the reporting lobbying firm's principal for reporting purposes under this paragraph; and
2. The reporting lobbying firm shall, for each lobbying firm identified as the reporting lobbying firm's principal under paragraph (b), identify the name, business address, and telephone number of the principal originating the lobbying work.

(f) The senior partner, officer, or owner of the lobbying firm shall certify to the veracity and completeness of the information submitted pursuant to this rule; certify that no compensation has been omitted from this report by deeming such compensation as "consulting services," "media services," "professional services," or anything other than compensation; and certify that no officer or employee of the firm has made an expenditure in violation of s. 11.045, Florida Statutes.

(2) For each principal represented by more than one lobbying firm, the Office shall aggregate the reporting-period and calendar-year compensation reported as provided or owed by the principal. Compensation reported within a category shall be aggregated as follows:

Category (dollars)	Dollar amount to use aggregating
0	0
1–9,999	5,000
10,000–19,999	15,000
20,000–29,999	25,000
30,000–39,999	35,000
40,000–49,999	45,000
50,000 or more	Actual amount reported

(3) The compensation reports shall be filed no later than 45 days after the end of each reporting period. The four reporting periods are from January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31, respectively. The reports shall be rendered in the identical form provided by the respective houses and shall be open to public inspection.

(4) A report filed pursuant to this rule must be completed and filed through the LRCRS not later than 11:59 p.m. of the day designated in subsection (3). A report not filed by 11:59 p.m. of the day designated is a late-filed report and is subject to the penalties under Joint Rule 1.5(1).

(5) Each person given secure sign-on credentials in the LRCRS is responsible for protecting the credentials from disclosure and is responsible for all filings made by use of such credentials, unless and until the Office is

notified that the person's credentials have been compromised. Each report filed by electronic means pursuant to this rule shall be deemed certified in accordance with paragraph (1)(f) by the person given the secure sign-on credentials and, as such, subjects the person and the lobbying firm to the provisions of s. 11.045(8), Florida Statutes, as well as any discipline provided under the rules of the Senate or House of Representatives.

(6) If the President of the Senate and the Speaker of the House of Representatives jointly declare that the electronic system is not operable, the reports shall be filed in accordance with instructions on the LRCRS website which will be posted for a reasonable period of time.

1.5—Failure to File Timely Compensation Report; Notice and Assessment of Fines; Appeals

(1) Upon determining that the report is late, the LRCRS shall immediately notify the lobbying firm by e-mail as to the failure to timely file the report and that a fine is being assessed for each late day. The fine shall be \$50 per day per report for each late day, not to exceed \$5,000 per report.

(2) Upon submittal of the late-filed report by the lobbying firm, the LRCRS shall determine the amount of the fine based on the submittal date shown in the electronic receipt issued by the LRCRS.

(3) Such fine shall be paid within 30 days after the notice of payment due is transmitted by the LRCRS, unless an appeal is made to the LRO. The moneys shall be deposited into the Legislative Lobbyist Registration Trust Fund.

(4) A fine may not be assessed against a lobbying firm the first time the report for which the lobbying firm is responsible is not timely filed. However, to receive the one-time fine waiver, the report for which the lobbying firm is responsible must be filed within 30 days after the notice of failure to file is transmitted by the LRCRS. A fine shall be assessed for all subsequent late-filed reports.

(5) Any lobbying firm may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the General Counsel of the Office of Legislative Services, who shall recommend to the President of the Senate and the Speaker of the House of Representatives, or their respective designees, that the fine be waived in whole or in part for good cause shown. The President of the Senate and the Speaker of the House of Representatives, or their respective designees, may, by joint agreement, concur in the recommendation and waive the fine in whole or in part. Any such request shall be made within 30 days after the notice of payment due is transmitted by the LRCRS. In such case, the lobbying firm shall, within the 30-day period, notify the LRO in writing of the firm's intention to request a hearing.

(6) A lobbying firm may request that the filing of a report be waived upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services, who shall make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(7)(a) All lobbyist registrations for lobbyists who are partners, owners, officers, or employees of a lobbying firm that fails to timely pay a fine are automatically suspended until the fine is paid or waived and all late reports have been filed or waived. The LRO shall promptly notify all affected principals, the President of the Senate, and the Speaker of the House of Representatives of any suspension or reinstatement. All lobbyists who are partners, owners, officers, or employees of a lobbying firm are jointly and severally liable for any outstanding fine owed by a lobbying firm.

(b) Such lobbyist may not be reinstated in any capacity representing any principal until the fine is paid and all late reports have been filed or waived or until the fine is waived as to that lobbyist and all late reports for that lobbyist have been filed or waived. A suspended lobbyist may request a waiver upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services who shall, as soon as practicable, make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives.

The President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(8) The LRO shall notify the coordinator of the Office of the failure of a lobbying firm to file a report after notice or of the failure of a lobbying firm to pay the fine imposed.

1.6—Open Records; Internet Publication of Registrations and Compensation Reports

(1) All of the lobbyist registration forms and compensation reports received by the LRO shall be available for public inspection and for duplication at reasonable cost.

(2) The LRO shall make information filed pursuant to Joint Rules 1.2 and 1.4 reasonably available on the Internet in an easily understandable and accessible format through the LRCRS. The LRCRS must include, but not be limited to including, the names and business addresses of lobbyists, lobbying firms, and principals; the affiliations between lobbyists and principals; and the classification system designated and identified with respect to principals pursuant to Joint Rule 1.2.

1.7—Records Retention and Inspection and Complaint Procedure

(1) Each lobbying firm and each principal shall preserve for a period of 4 years all accounts, bills, receipts, computer records, books, papers, and other documents and records necessary to substantiate compensation reports and registration documentation.

(2) Upon receipt of a complaint based on the personal knowledge of the complainant made pursuant to the Senate Rules or the Rules of the House of Representatives, any such documents and records may be inspected when authorized by the President of the Senate or the Speaker of the House of Representatives, as applicable. The person authorized to perform the inspection shall be designated in writing and shall be a member of The Florida Bar or a certified public accountant licensed in Florida. Any information obtained by such an inspection may only be used for purposes authorized by law, Joint Rule One, the Senate Rules, or the Rules of the House of Representatives, which purposes may include the imposition of sanctions against a person subject to Joint Rule One, the Senate Rules, or the Rules of the House of Representatives. Any employee who uses that information for an unauthorized purpose is subject to discipline. Any member who uses that information for an unauthorized purpose is subject to discipline under the applicable rules of each house.

(3) The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

1.8—Questions Regarding Interpretation of Joint Rule One

(1) A person may request in writing an informal opinion from the General Counsel of the Office of Legislative Services as to the application of Joint Rule One to a specific situation involving that person's conduct. The General Counsel shall issue the opinion within 10 days after receiving the request. The informal opinion may be relied upon by the person who requested the informal opinion. A copy of each informal opinion that is issued shall be provided to the presiding officer of each house. A committee of either house designated pursuant to section 11.045(5), Florida Statutes, may revise any informal opinion rendered by the General Counsel through an advisory opinion to the person who requested the informal opinion. The advisory opinion shall supersede the informal opinion as of the date the advisory opinion is issued.

(2) A person in doubt about the applicability or interpretation of Joint Rule One with respect to that person's conduct may submit in writing the facts for an advisory opinion to the committee of either house designated pursuant to s. 11.045(5), Florida Statutes, and may appear in person before the committee in accordance with s. 11.045(5), Florida Statutes.

1.9—Effect of Readoption and Revision

All obligations existing under Joint Rule One as of the last day of the previous legislative biennium are hereby ratified, preserved, and reimposed pursuant to

the terms thereof as of that date. The provisions of Joint Rule One are imposed retroactively to the first day of the present legislative biennium except that provisions new to this revision are effective on the date of adoption or as otherwise expressly provided herein.

(2) If a bill is returned to the house in which the bill originated and the originating house does not concur in all the amendments or adds additional amendments, no further action shall be taken on the bill by the nonoriginating house, and a conference committee shall be established by operation of this rule to consider the bill.

(3) If a bill is referred to a conference committee by operation of this rule, a 72-hour public review period shall be provided prior to a vote being taken on the conference committee report by either house.

(4) A copy of the bill, a copy of the bill with amendments adopted by the nonoriginating house, or the conference committee report shall be furnished to each member of the Legislature, the Governor, the Chief Justice of the Supreme Court, and each member of the Cabinet. An electronic copy is deemed to have been made available when it is accessible via the Internet or other information network consisting of systems ordinarily serving the members of the Senate or the House of Representatives.

(b) An official other than a member of the Legislature who is to be furnished a copy of a general appropriations bill under subsection (4) may officially request that an electronic copy of the bill be furnished in lieu of a printed copy, and, if practicable, the copy may be furnished to the official in the manner requested.

Saturdays, Sundays, and holidays shall be included in the computation under this rule.

(8) An implementing or conforming bill recommended by a conference committee shall be subject to a 24-hour public review period before a vote is taken on the conference committee report by either house, if the conference committee submits its report after the furnishing of a general appropriations bill to which the 72-hour public review period applies.

(9) With respect to each bill that may be affected, a member of the Senate or the House of Representatives may not raise a point of order under this rule after a vote is taken on the bill. Except as may be required by the Florida Constitution, noncompliance with any requirement of this rule may be
