Please be aware that Florida has a lobbying fee disclosure law that requires quarterly disclosure of fees. Please review the attached fee disclosure form to fully understand this regulatory requirement and ensure that you agree with the information we will be submitting to comply with it.

It should also be noted that Southern Strategy Group has affiliated offices in other states and within the state of Florida. Southern Strategy Group has a policy of declining representation of clients when that representation would immediately create a direct conflict with other clients that Southern Strategy Group currently represents. You have retained Southern Strategy Group for representation in Tallahassee, and we know of no conflicts with our current clients. In order to ensure the candor and trust in our relationship that forms the basis of effective representation, it is the policy of Southern Strategy Group to keep confidential within each office all information about your business interests and strategies.

I believe the above reflects our understanding. If it does, please sign this agreement and return with the completed client information and lobbyist registration forms, which are enclosed. I appreciate your attention to this matter and look forward to working with you. Please never hesitate to contact me if we can assist Palm Beach State College Foundation in any way.

Sincerely,

Allyce Heflin
