Dear David,

Thank you for the opportunity to work with your organization for the 2020 Legislative Session. We take pride in our representation of clients before the Florida Legislature and other tribunals. Please know that we will always work aggressively and diligently to pursue all the goals and priorities that you set for us to follow.

As Senior Partner of Pittman Law Group, I will be the attorney with primary responsibility for this matter. We consider it our responsibility to perform all traditional Legal and Governmental Relations activities at the Legislative and Executive Branch levels. This includes working with staff in the Legislature and the Governor's Office, and/or any agencies of the Executive Branch; it requires us to keep you informed of any developments and/or decisions that may have impact. It is our responsibility to be available to you and your designees as may reasonably be requested.

In exchange for this representation, you agree to compensate our firm with a retainer of \$49,000. We require this retainer to be paid over 7 monthly payments of \$7,000 each, commencing on September 1, 2019. It is understood that the compensation will cover the through the veto period following the legislative session.

It is understood that this contract is cancelable with thirty days (30) notice; however, it cannot be cancelled during any year where a Legislative Session has concluded, as the fee is then considered fully earned. This must be the case because under Florida law contingency fee arrangements are prohibited.

Our deliverables will be as follows:

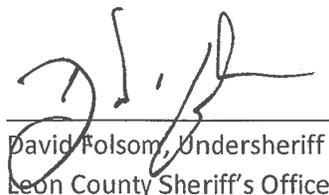

- 1) We will consult and assist on all matters related to the State Legislature and the Executive Office of the Governor and/or Agencies;
- 2) We will consult and assist your efforts to draft and finalize your legislative priorities each calendar year;
- 3) We will build political support on issues originated and/or supported by the Leon County Sheriff's Office.
- 4) We will assist in the efforts to secure appropriations from the Florida Legislature.

I want to thank you again for your interest in our firm and for the confidence you have shown in our ability to help your organization. I look forward to many successes on your behalf. Please know that we will maintain every confidence you have placed with and in us. Please sign, attach retainer fee and return to my office at your earliest opportunity.

With kind regards,

Sean Pittman
